## HEAR FROM THE HEADMASTER

SPCS Family,

Spirit Week brought our campus to life this week. Participation was outstanding, and our Student Government did an excellent job planning the theme days and also the pep rally at the end of the week. It was nice to celebrate our winter sports athletes and coaches and have some fun. I am sure you will enjoy all of the pictures from the week in this SPOTLIGHT!

Our girls' basketball team will host the Saints Classic Tournament today and tomorrow so please consider coming out to cheer them on. They have improved greatly over the season and we are excited to see how they do.

"And night will be no more. They will need no light of lamp or sun, for the Lord God will be their light, and they will reign forever and ever."  
Revelation 22:5

Enjoy your weekend!

In Him,  
Bobby Hunter

# Winter Sports Pep Rally

To wrap up Spirit Week we gathered in the gym to celebrate our Winter athletes. The cheerleaders got the crowd pumped up! SGA planned a fun time that included team introductions and an exciting game! The girls' basketball team came out on top, edging out the boys varsity team, cheerleaders, and boys' jv team to take the win!

# AFTERCARE SUPPORTERS

Miss Jill and her team helped the afterschool students prepare decorations for the cheerleaders and girls' basketball team for their tournament this weekend. They decorated the bleachers and locker room with their creations. Let's Go Saints!

# JANUARY GUIDANCE UPDATE

Ms. Kragh is visiting elementary classrooms to share this month's guidance theme - Courage/Follow the Leader: God or Others? Her lessons are adapted to fit each grade and include prayer, a corresponding Bible verse and lesson, and an interactive activity.

## 5TH GRADE ENGLISH

Students are working with a partner to complete a review of pronouns. Partner work helps them talk through their thinking, explain ideas in their own words, and learn from one another. Working together builds confidence, strengthens understanding, and encourages cooperation and communication skills that support learning across all subjects.

## 1<sup>ST</sup> AND 2<sup>ND</sup> GRADE BUDDY READING

Mrs. Hendley's 1<sup>st</sup> graders joined Mrs. Densa's 2<sup>nd</sup> graders for a buddy reading session this week. All of them did a great job encouraging one another!

## PE PRESIDENTIAL FITNESS

Coach Cole has kicked off the Presidential Fitness Unit in PE. The weather was nice enough this week to get outside and practice distance running!

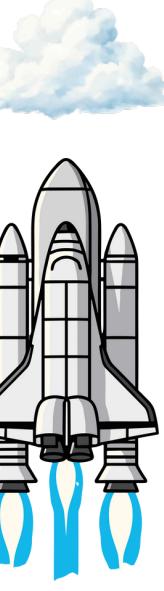

**January  
GUIDANCE VERSE**

**"God gives us power, love, and self-control."

# 6TH GRADE SCIENCE

Sixth grade students continue to explore space and celestial objects. This week, they put their STEM skills to the test. Students worked to build a creative space shuttle that met criteria and constraints presented at the beginning of the project. Once teams finalized their designs, team shuttles were 'launched' to check their Lego pilots were in a safe, sturdy vehicle. So many unique designs!

## 2ND GRADE

Mrs. Koon's students showed their creativity this week when they got out their geoboards for some indoor fun. They have also been working hard in Reflex Math. Taya V. reached 100% fluency in addition and subtraction and can now start practicing multiplication facts
