HEAR FROM THE HEADMASTER

SPCS Family,

Thank you for another great year and your continued partnership with SPCS. This week we celebrated our students and their accomplishments in our year-end awards ceremonies. God has truly blessed each student and I am excited to see how He continues to direct each of their paths.

We also recognized our Kindergarten and 8th Grade students with memorable graduation ceremonies. We wish our 8th Grade graduates well as they venture on to their next chapter of life. Please remember that you are always welcome back and know that God is always with you.

"The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him." Psalm 28:7

We will stay in touch and send updates throughout the summer. Thank you again for choosing SPCS!

In Him,
Bobby Hunter

GRADUATION

CELEBRATING MIDDLE SCHOOL SUCCESS ✨

Sixth and seventh-grade students were recently recognized for their achievements this year. We were very happy to welcome proud family members to the ceremony. We look forward to watching these students lead by example next year as the upperclassmen of the school.

CELEBRATING READING SUCCESS

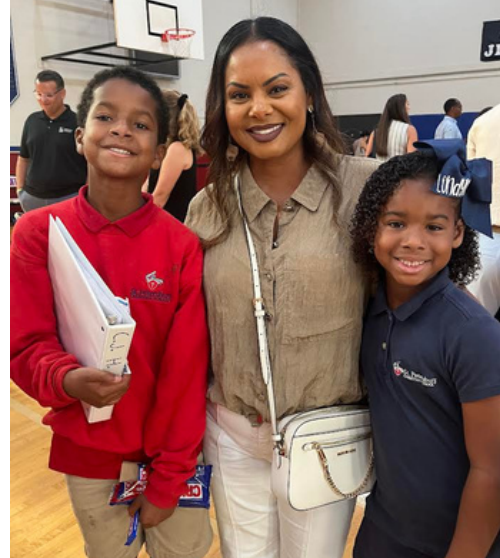

Miss Dorsett's Kindergarten students celebrated their reading success with a special party this week. The class successfully passed 1512 Accelerated Reader tests all on their own. Each student could independently log on to a laptop using their credentials, go to the testing website, type in the book name, complete the test, and then properly log off. Their teachers are so proud of them!

CELEBRATING ACADEMIC SUCCESS

Students in Grades 1-4 were recognized for their academic achievements on the last day of school. We are happy that so many families were able to witness it!
