## HEAR FROM THE HEADMASTER

SPCS Families,

Another week comes to a close and as you will see in this SPOTLIGHT it was a great week - with lots of learning and lots of fun! Congratulations to both our JV and Varsity volleyball teams for kicking off their seasons with a victory. Next week soccer and golf kick off their seasons and we wish them the best of luck!

Make sure you take note of everything happening next week in the box to the right. We hope to see all of you on campus for our Parent Nights on Monday and Tuesday. Teachers have important information to share with you and you will not want to miss it! Picture Day is Tuesday as well and students should wear their school uniform.

"For with God nothing shall be impossible." Luke 1:37

In Him,

Bobby Hunter

# 2ND GRADE S.T.E.M. ACTIVITY

Mrs. Koon's class learned that every design/creation needs a creator. Our Creator is God. He put us together perfectly.

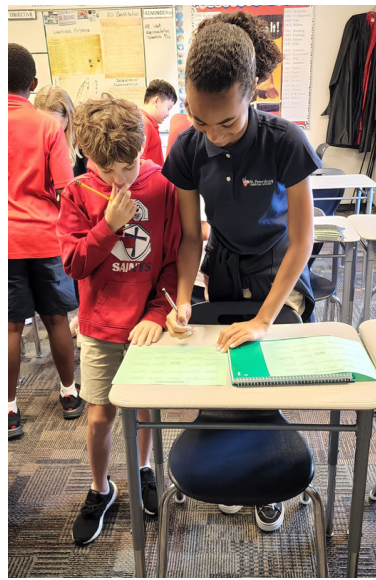

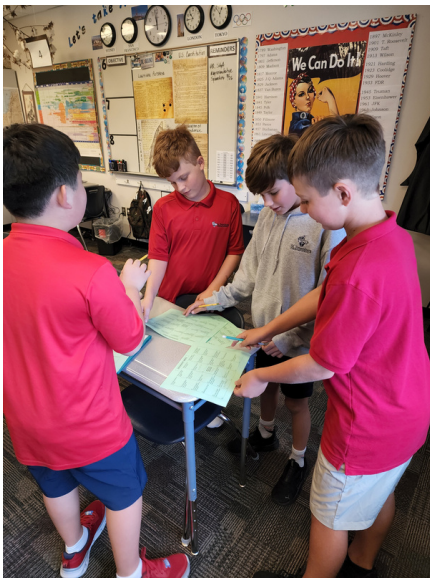

## MRS. RENNINGER'S CUDDLY REWARD

Students in Mrs. Renninger's class were rewarded for their outstanding effort to start the school year by cuddling with Tink and Belle, the two class guinea pigs.

## LEARNING THE 5 THEMES OF GEOGRAPHY

Upper Division students worked in teams reviewing the 5 themes of geography - location, place, human-environment interaction, movement, and region. Did you know them?

# GETTING TO KNOW OUR 8TH GRADERS

Each year, 8th grade students prepare an "About Me" collage in Social Studies class. After sharing with their classmates, the collages are displayed around campus. Many of them have been at SPCS since Kindergarten and we have loved watching them grow up!

# SINGING HIS PRAISES IN MORNING CHAPEL

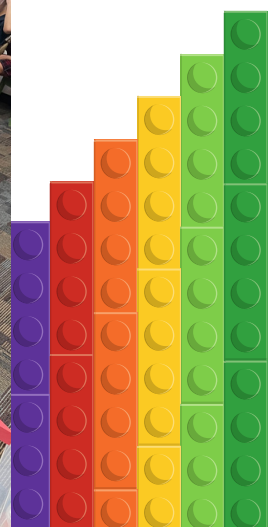

Students know the purpose of weekly chapel is to learn about God and to grow in God. Their enthusiasm and participation assures us that is happening!

# MAKERSPACE MANIA

Lower Division students had fun exploring and creating in the Makerspace lab this week!

## THANK YOU FOR SUPPORTING OUR MISSIONS

At the beginning of the school year, teachers chose a mission project close to their hearts and then signed up for a Jean's Day slot. The money collected that week is donated to that mission on behalf of SPCS. Thank you for supporting the causes important to our teachers!
