HEAR FROM THE HEADMASTER

SPCS Families,

It was another great week on campus. Students have quickly settled into the routine and learning is in full swing. I already see great work displayed in our hallways! Next week, parents will have the opportunity to see the work as well as we host our annual Parent Nights. Please make plans to join us. All of the information on dates and times is included in this SPOTLIGHT. Each teacher is looking forward to sharing information about what you and your student can expect and look forward to this year. You will also have the opportunity to ask questions and meet the other parents. We value our partnership with you and look forward to seeing you!

"Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up." Ecclesiastes 4 9-10

In Him,
Bobby Hunter

GETTING READY FOR BAND INSTRUMENTS

Mrs. Beaudry got creative as she taught her new band students how to have strong tones with their new instruments. She used water to show an air stream!
