## HEAR FROM THE HEADMASTER

SPCS Family,

Last Saturday was our annual Fall Festival. Fun and fellowship were enjoyed by everyone in attendance. We had the perfect weather too! It was great to see so many students and families, and I am glad I had the chance to speak with many of you! Thank you to all of the volunteers who made this event successful; your effort is sincerely appreciated.

Around campus this week, many classrooms were busy with projects and activities related to the fall season. I appreciate that our teachers make learning fun to keep their students engaged. I know that the students appreciate it too. Thank you, teachers!

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."  
1 Peter 4:10

In Him,  
Bobby Hunter

## UPCOMING EVENTS

---

**Veteran's Day Chapel**  
11/11/26

---

**Operation Christmas Child Service**  
11/18/26

---

**Thanksgiving Break**  
11/23-27/26

---

# SET YOUR CLOCK BACK

# FALL FESTIVAL FUN

Thank you  
for coming!

**JAR**  
 Mattingly L.  
 Guess 382  
 Actual 396  
**NEE DOH** **RAFFLE**  
 Sidney F.

**CONTEST**  
 1<sup>st</sup> Place - Jodie W.  
 2<sup>nd</sup> Place - Declan W.  
 3<sup>rd</sup> Place - Eva-Maria D.  

# MRS. HENDLEY'S 1<sup>ST</sup> GRADE POPCORN MATH

We counted popcorn, eight in all,  
With combinations great and small,  
As we munched and counted down,  
Subtraction made our smiles abound!  
7+ 1 to 8 - 8, Hands-on math was simply great!

## LIBRARY BOOK RAFFLE WINNERS

Congratulations to the  
*Diary of a Wimpy Kid Fight or Flight*  
raffle winners!

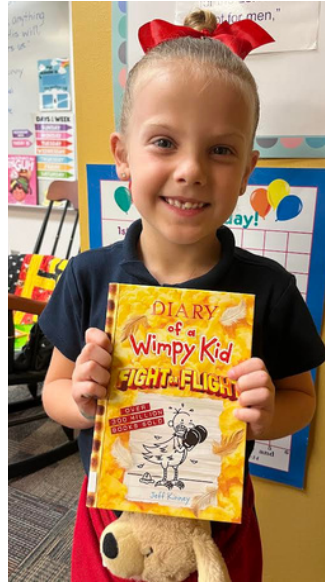

1<sup>st</sup> Place (Personal Copy)

**Harper M.**

2<sup>nd</sup> Place (First Library Checkout)

**Baylee G.**

**Declan W.**

# *Veteran's Day* **CHAPEL**

Wednesday, November 11th at 8:30am  
SPCS Gym

# 7<sup>TH</sup> GRADE SCIENCE

Our 7th graders participated in a hands-on dissection, learning about the sea star, more commonly known as a starfish, and their anatomy. As our students progress in their biology studies, they work with partners to view how each animal group has similarities and differences to others we've studied. They continue their work on invertebrates as we explore more complex organisms in this kingdom and phylum.

# 3<sup>RD</sup> GRADE FALL PROJECT

A highlight of 3<sup>rd</sup> Grade is creating a pumpkin book character. Their creativity and imagination is evident!

**DRESS DOWN**  
 FOR CANCER AWARENESS  
*Wednesday 11/4/26*

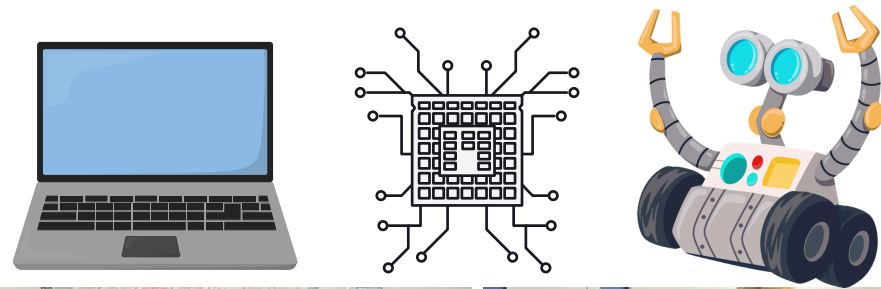

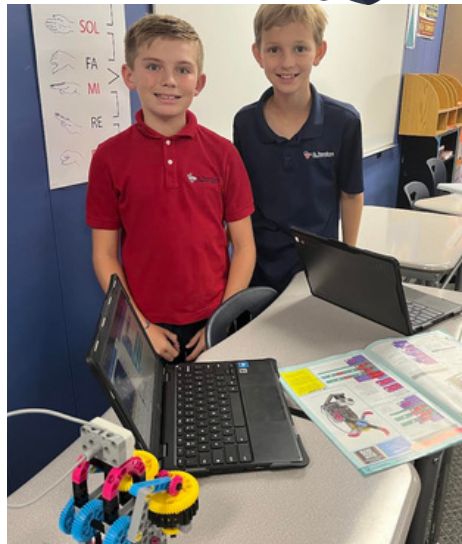

*Wear a **PINK** shirt and jeans!*

**\$1.00** To Benefit A Local Cancer Hospital

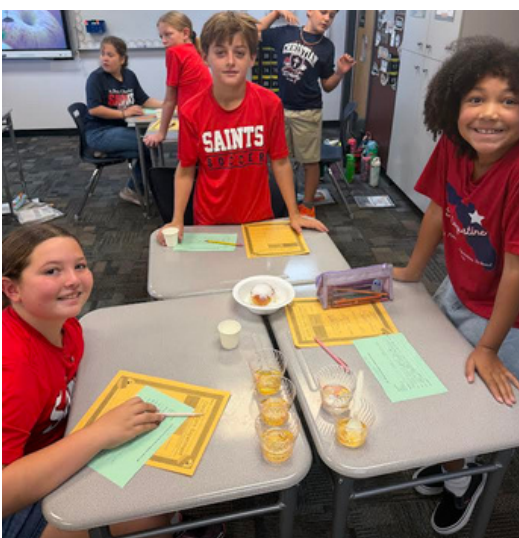

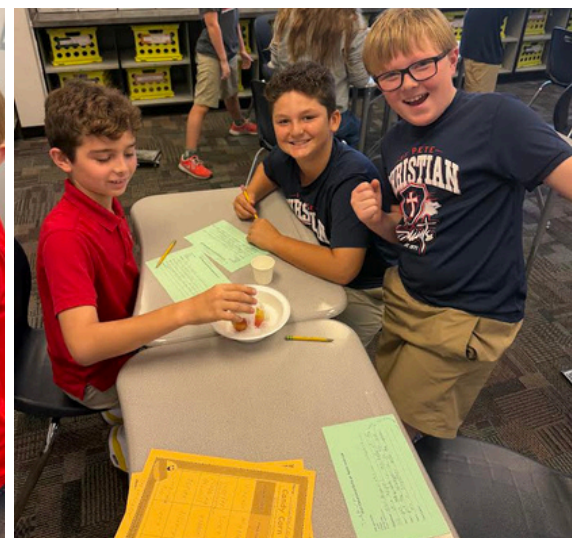

# ROBOTICS ELECTIVE

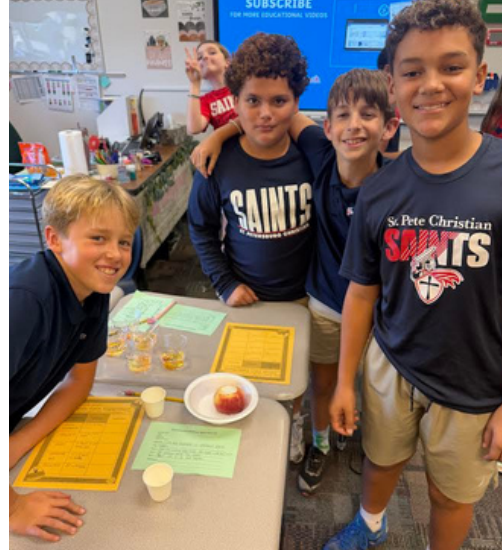

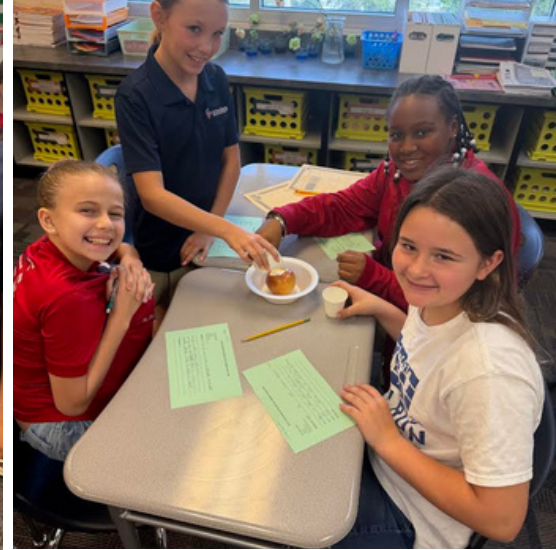

Students in the robotics elective are working in groups to build various robots. The experience teaches them the fundamentals of engineering design, mechanical assembly, and computer programming.

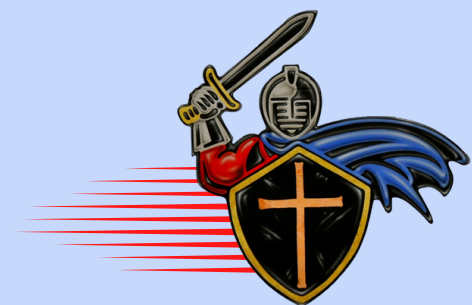

# 5TH GRADE SCIENCE

Fifth graders enjoyed fall-themed chemistry labs this week. The candy corn experiment tested how fast a candy corn dissolves in different liquids over a set period. The apple-cano lab exposed them to the basics of chemical reactions, acids, and bases. Chemistry was fun!

# WINTER SPORTS

Congratulations to the athletes selected for this year's basketball teams!

## JV BOYS BASKETBALL

Silas A.  
Baisden B.  
Samuel D.  
Pierce D.  
Tripp G.  
Branson G.  
Carter J.  
Lukas K.  
Declan M.  
Jack M.  
Travis P.  
Isaiah R.  
Leo T.  
Zach V.

## BOYS BASKETBALL

Elijah B.  
Danny C.  
Lucas C.  
Kash C.  
Jackson F.  
Austin H.  
Jayden N.  
Isaac R.
