HEAR FROM THE HEADMASTER

SPCS Families,

Tonight we will honor our varsity athletes at the annual Sports Banquet. These athletes work hard to represent our school and their coaches are dedicated to mentoring them on and off the field. We look forward to celebrating with the athletes and their families. Our Booster Club has done an amazing job preparing for the special night!

Next week, we hope to see you at the Lower Division and Band Spring Concert. The students continue to practice and it should be a great patriotic performance. There are also several field trips and our NJHS members will spread His love at Feeding Tampa Bay.

Before we know it, the year will be over..."And let us run with endurance the race God has set before us." Hebrews 12:1

In Him,
Bobby Hunter

6TH GRADE MATH

Mrs. Bakken's students enjoyed making geometric shapes with Magna tiles and finding the perimeter and area of their designs.

Mrs. Epstein's students used scales and proportions to determine the actual length of model cars as well as actual distance on a map.

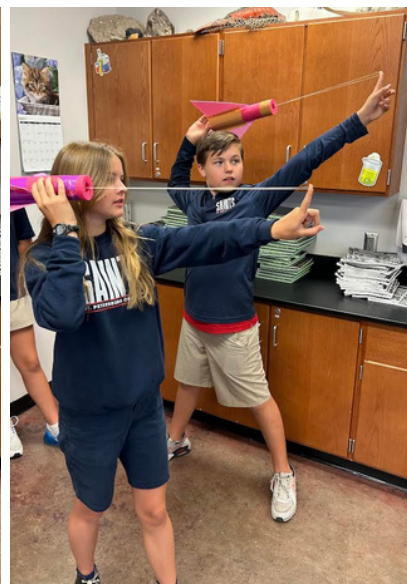

PAINTING WITH SPCS

SPCS parents and students followed Miss Greco's example and created some undersea masterpieces!

6TH GRADE SCIENCE

The 6th graders engaged in a STEM challenge to build foam rocket launchers. Teams worked together to streamline their designs for the best launch distance.

STUDENT GOVERNMENT ELECTIONS

Student Government officer candidates gave speeches in Middle School Chapel this week. They have also created and hung campaign posters in order to get the votes of their peers. The voting results are below!

7TH GRADE FIELD TRIP TO TAMPA BAY WATCH

Our 7th graders ventured out into the Tampa Bay estuary to put their classroom knowledge into action. At Tampa Bay Watch, education staff led our students through hands-on learning with two outdoor activities. Students went on a boat trawl to bring local marine specimens back to study. Then, students seined the bay and experienced up close exploration of sea horses, crabs, native fish, and more.

FAIRY TAIL FUN IN KINDERGARTEN

The crafts, snacks, and stories were all about Fairy Tales this week in Kindergarten! It all led up to a Fairy Tale dress up day on Friday.
