HEAR FROM THE HEADMASTER

SPCS Family,

Can you believe the first quarter of the school year is over? Time flies when you are learning, growing, and having fun!

I am incredibly proud of how our students settled into their routines, formed new friendships, and tackled their academic work. Whether in the classroom, on the playground, or at after school events, their enthusiasm is contagious.

I also want to thank you, our parents. Thank you for reading with your children, staying in touch with their teachers, and ensuring they arrive ready to learn each day. Their success is a team effort, and we are lucky to have you on our team.

"For whatever was written in former days was written for our instruction, that through endurance and through the encouragement of the Scriptures we might have hope." Romans 15:4

In Him,
Bobby Hunter

UPCOMING EVENTS

Picture Retake Day
10/13/26

NO SCHOOL - Pro-Ed Day
10/19/26

Kindergarten Open House
10/22/26

School BBQ
10/24/26

2ND GRADE SPECIAL GUEST

Pastor Kinney stopped by to teach them that prayer is simply talking to God – praising Him, thanking Him, and asking for His help. They had so much fun learning that they can talk to God anytime, anywhere!

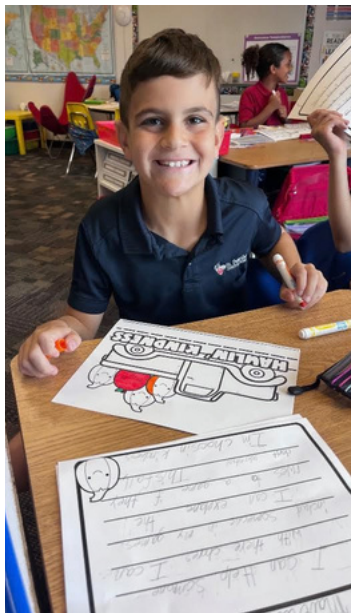

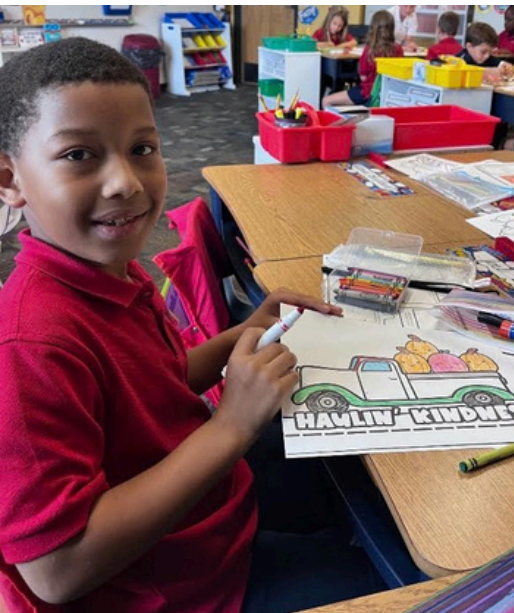

3RD GRADE WRITING

Third grade is "Haulin' Kindness"! They prepared artwork and writing about ways they can show kindness!

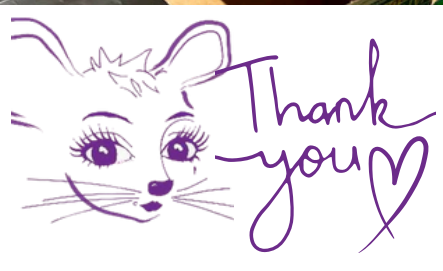

2ND GRADE TOP READERS

Alaina V. and Joey R. were the top readers in September! Way to go!

NJHS OUTREACH

NJHS students volunteered at Kind Mouse this weekend as part of our food drive and mission. Our SPCS families donated almost 300 pounds of food. NJHS members received a tour of the facility, then sorted and dated food and helped box 425 kits for families in need. THANK YOU for your support!

4TH GRADE FIELD TRIP

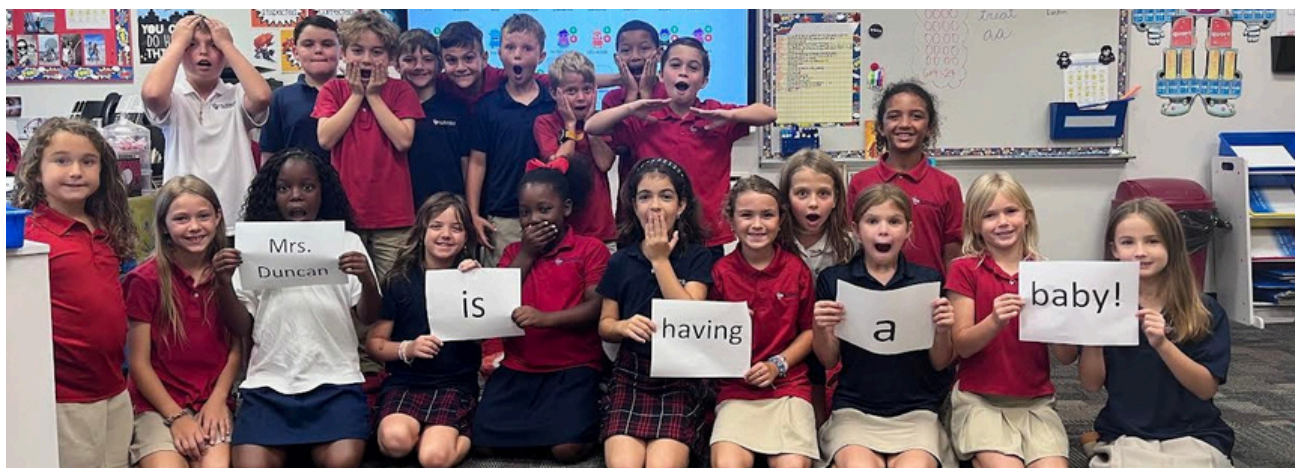

Students explored physics, engineering, robotics, optics, and space science through physical challenges like lying on a bed of nails, building robots, solving brain puzzles, and testing optical illusions. They also visited the Saunders Planetarium at MOSI this week.

CONGRATULATIONS MRS. DUNCAN

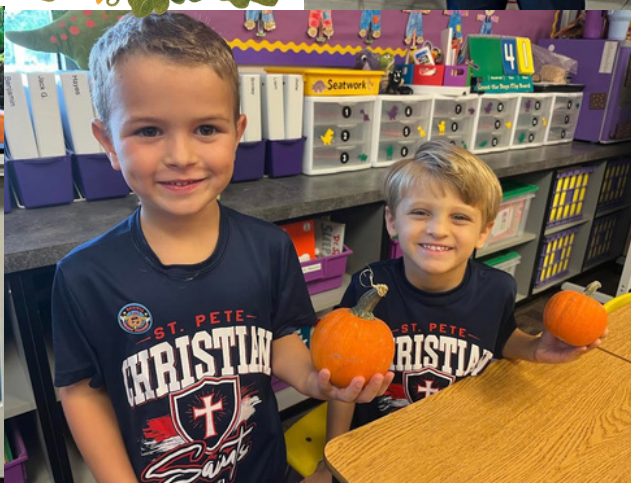

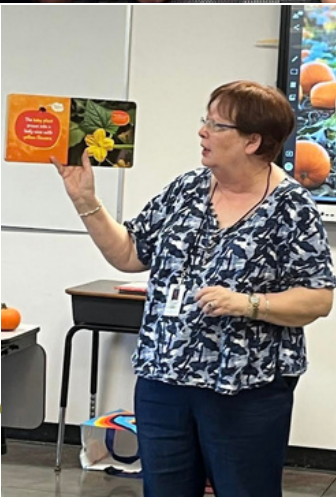

Mrs. Duncan let her students help share her good news!

way

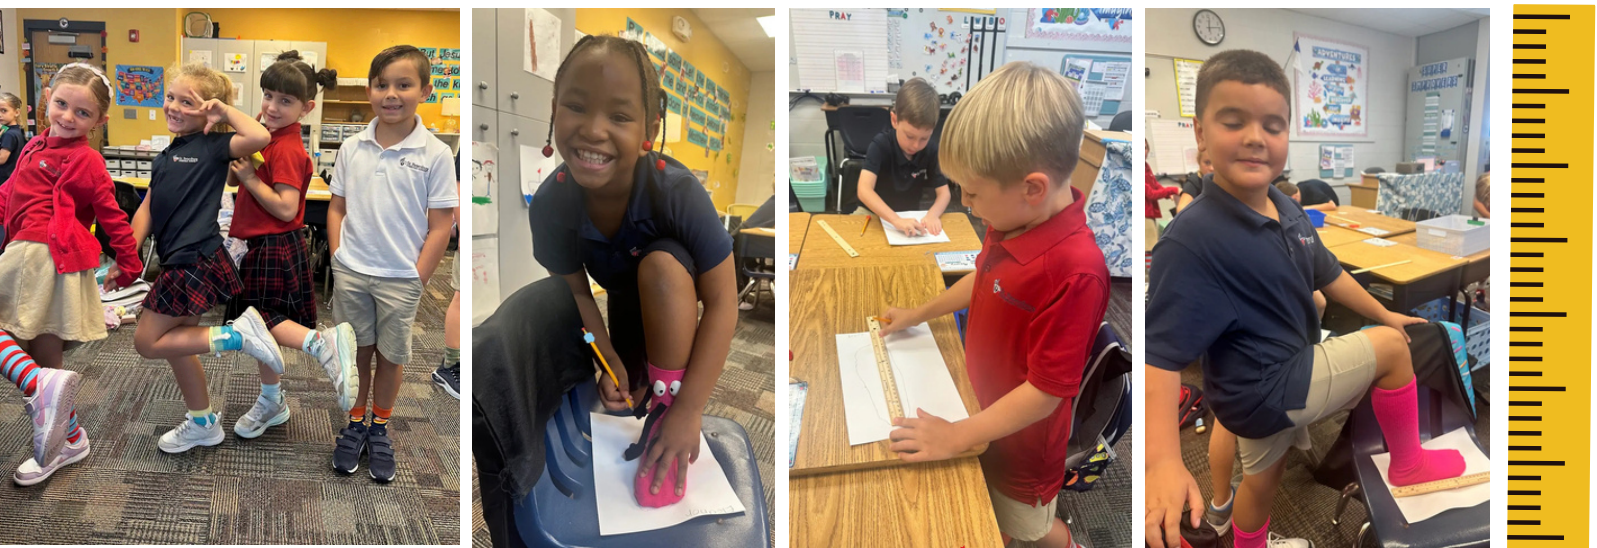

KINDERGARTEN

Kindergarten students enjoyed a fun lesson on pumpkins. They learned about how they grow and the journey they take to reach stores and pumpkin patches. They got to choose their own pumpkin too.

1ST GRADE FUN

First grade students practiced using a ruler by measuring their feet. They made it more fun by wearing silly socks.

5TH GRADE GOALS MET

We are so proud of our fifth graders who worked hard this first quarter to reach their Accelerated Reader goals! Their dedication, effort, and love of reading deserve celebration. Keep up the wonderful work, fifth graders, we can't wait to see the great things you accomplish in the next quarter!

MIDDLE SCHOOL ANNUAL VOLLEYBALL CHALLENGE

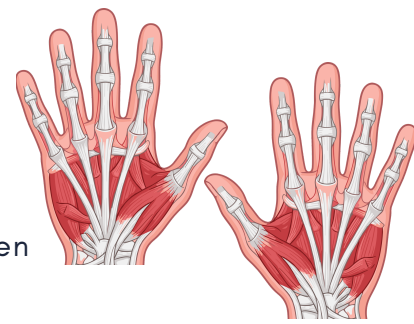

Each year, the girls varsity volleyball team challenges the 8th grade boys. Again this year, the girls came out on top. Everyone had a great time, and there is always next year!

7TH GRADE SCIENCE

Our 7th graders are learning about our unique body systems and how God created us. Students worked with partners to create a mechanical hand. Lab groups had to recreate how the bones and muscles work together to make a working hand with moving fingers. This lab encouraged the use of models when trying to understand the complexities of body systems.

FALL SPORTS UPDATE

JV VOLLEYBALL

Tuesday 10/06/26
Defeated @ Grace Lutheran

Thursday 10/8/26
Defeated v. LCC

VOLLEYBALL

Tuesday 10/06/26

Thursday 10/8/26
Victory v. LCC

SOCCER

Tuesday 10/6/26
Rainout v. Grace Lutheran

Thursday 10/8/26
Rainout @ LCC

SPCS ATHLETE OF THE WEEK

Zoe R. - Volleyball

Zoe's serves brought the Saints back into the game in set two and set three against LCC. She had some great digs too!

Way to go Zoe!
