## HAPPY NEW YEAR

### HEAR FROM THE HEADMASTER

SPCS Families,

Happy New Year! It was a pleasure seeing all of the students, teachers, and staff back at school after a long, well-deserved break. As we approach the holiday honoring Dr. Martin Luther King JR., I am reminded of one of his best quotes, "The function of education is to teach one to think intensively and to think critically. Intelligence plus character-that is the goal of true education."

At SPCS, we place great value on seeing our students show continued success and academic progress as they move through their academic journey. We strive to make SPCS a place where all students enjoy learning, develop strong relationships, and continue to grow each day socially, emotionally, and academically.

"...I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future" (Jer. 29:11).

Enjoy your weekend,  
Bobby Hunter
