HEAR FROM THE HEADMASTER

SPCS Family,

Today is September 11th, a national day of service and remembrance. On this day, we look back to honor the brave individuals who lost their lives in the tragic events of September 11, 2001.

Although all of our students, and some of our staff, were not alive when this happened, we do this to remember the incredible unity and kindness shown to each other in the days and months that followed. We remember the courage of the firefighters, police officers, paramedics, and everyday citizens who ran toward danger to help total strangers.

Let's honor their memory in the spirit of 9/11 by helping someone, thanking someone, encouraging someone, or just making someone smile. We are all better when united in kindness.

"He heals the brokenhearted and binds up their wounds." Psalm 147:3

Have a good weekend,

In Him,
Bobby Hunter

KINDERGARTEN MATH AND BIBLE

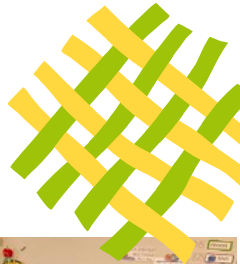

In math kindergarteners are learning how to make patterns. In Bible, the fruit of the Spirit this week is patience and the story *Blue Bison Needs a Haircut* fit it perfectly. They put their own spins on their bison that needed a haircut!

Learning
— IS —
FUN!

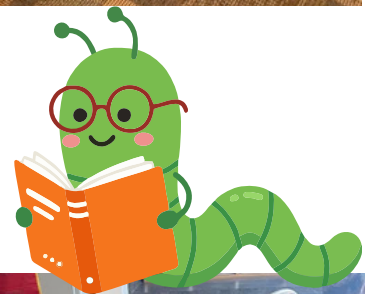

2ND GRADE NEWS

Second graders had an amazing time learning about Native Americans! They learned that the Southwest Native Americans were skilled craftsmen and made beautiful turquoise jewelry and also wove baskets and rugs. They also gave their own weaving skills a shot!

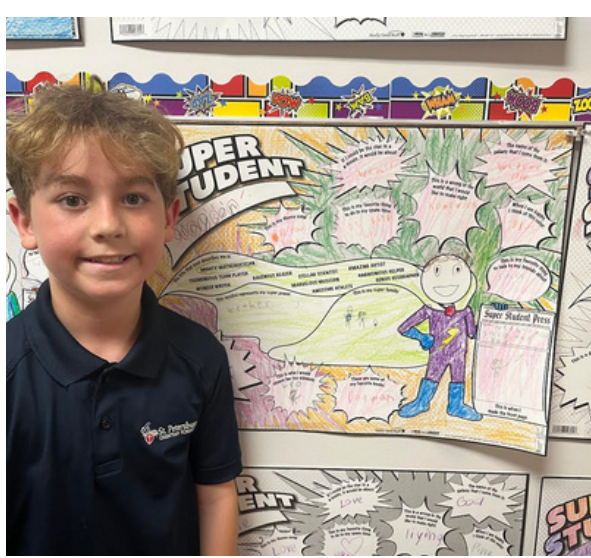

3RD GRADE NEWS

Third graders are real book worms! They have already passed 388 Accelerated Reader tests and are adding more to their total each day! Their cursive handwriting is also getting better with each page completed in their handwriting workbooks.

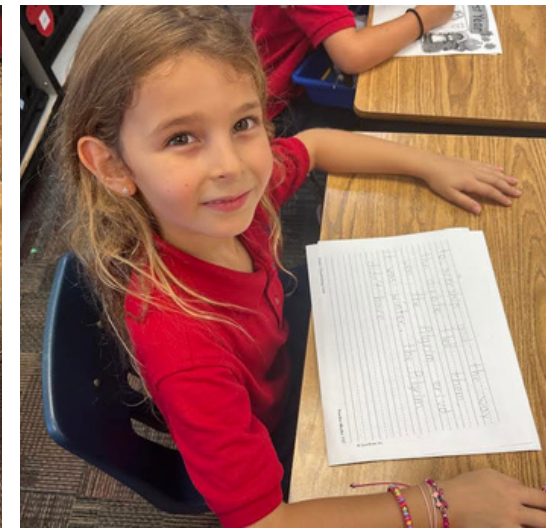

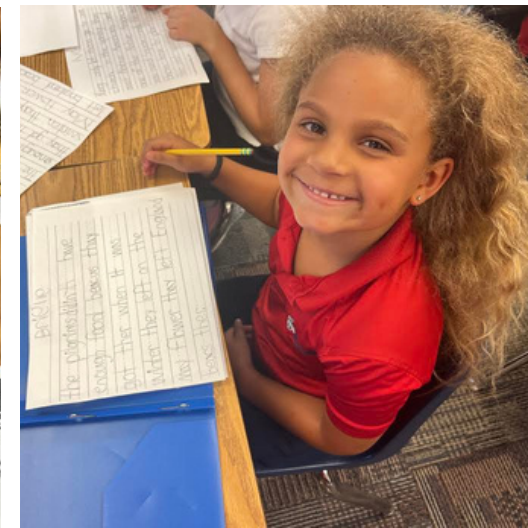

You can learn all about our 3rd graders by checking out their hallway display of Super Students! Their coloring and creativity is impressive!

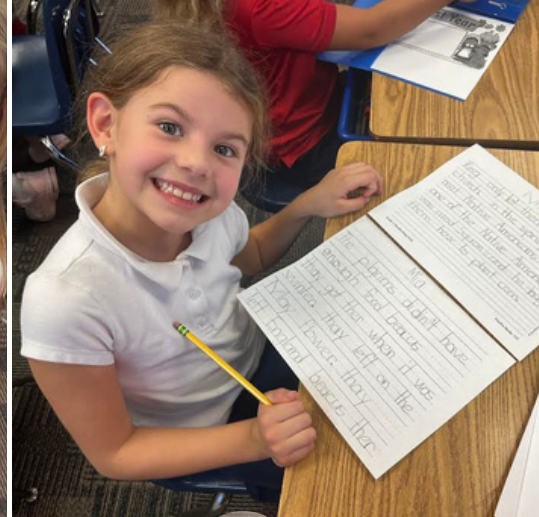

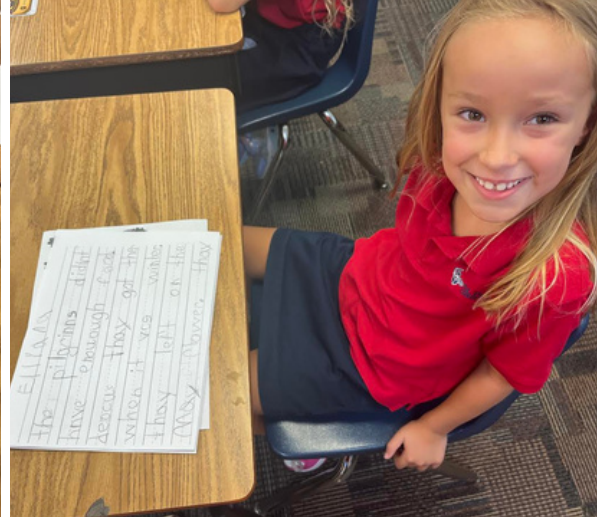

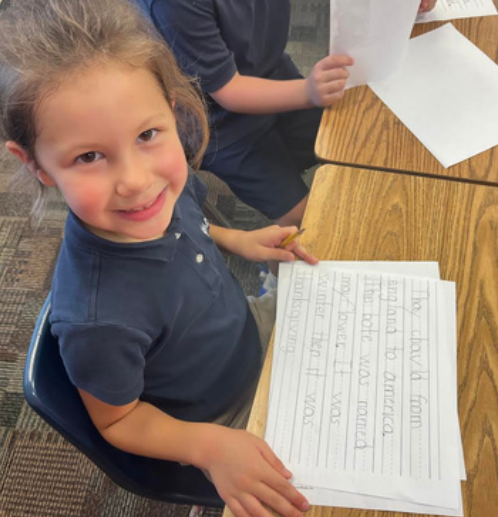

ABOUT ME

1ST GRADE WRITING

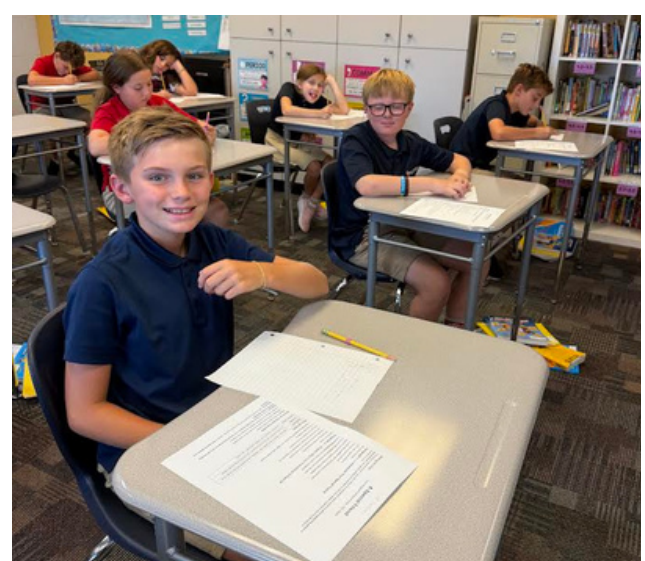

After practicing in their handwriting workbooks, 1st grade students showed off their skills writing what they learned about pilgrims in Social Studies.

5TH GRADE LANGUAGE ARTS

In Language Arts, fifth grade students are working through the writing process as they write an essay titled "A Special Friend." They are focusing on using a variety of sentence types while strengthening their skills in capitalization, punctuation, and sentence structure.

6TH GRADE SCIENCE

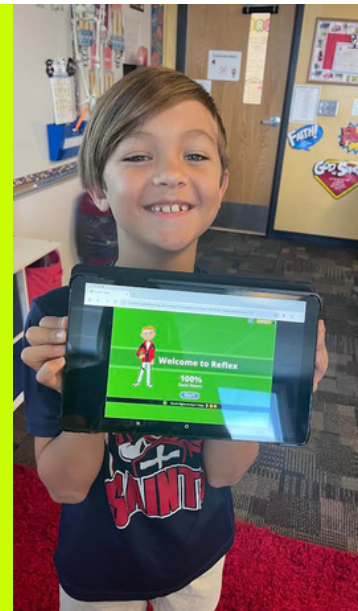

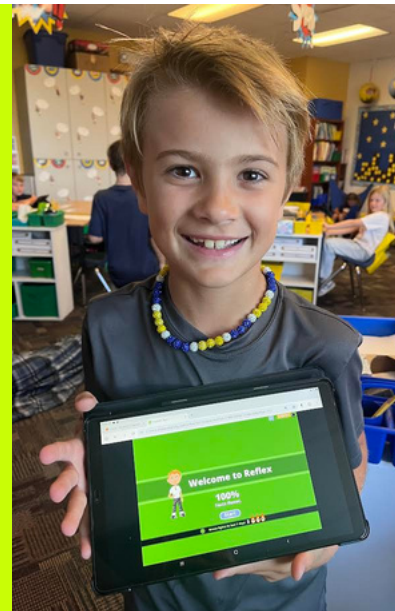

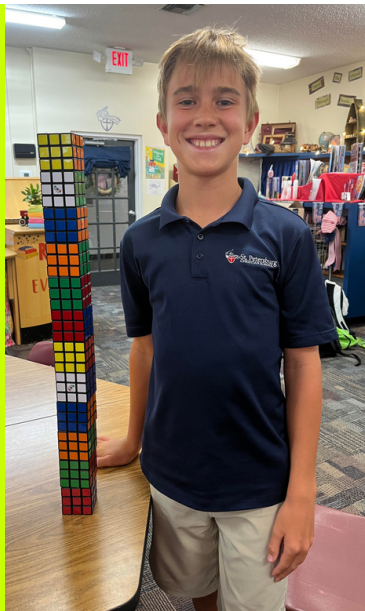

In Science this past week, our 6th graders had an opportunity to learn about and grow their very own crystals. Students are studying geology and finding out how different types of rock form and what makes up the layers of the earth. Lab partners worked together to create unique shapes and colors just like God uniquely made the world around us.

Standout students

Carter J.
Solved 12 Rubic cubes
before our very eyes in
Strategic Games elective.

Bennett J. and Reid M.
The first two 3rd graders to
be 100% fluent on their 0-12
multiplication facts!

VOLLEYBALL

Tuesday - **VICTORY**
v. St. Paul

VOLLEYBALL

Tuesday - **VICTORY**
v. St. Paul

The GCSU volleyball team, and SPCS Alumni VB player Lexi Baum, was in town to play ECKERD College. They came to work with the girls, they played alongside them, built confidence and taught them some new skills! It was great to welcome Lexi back home to SPCS!

SOCCER

Tuesday - Rain Washout
v. St. Paul

Thursday - Canceled
v. Academy Prep

Congrats! 2026 GOLF TEAM
