HEAR FROM THE HEADMASTER

Thank you, parents, teachers, and students for an outstanding first week! Our students exhibited exceptional effort, acclimating to new teachers, grade levels, and procedures. Great job students!

We saw this week that thunderstorms and rain can happen at any time. Our Parent Alert system allows us to communicate, via text, updates about rainy day drop-off/pick-up procedures and other important information that is time sensitive. The cell number(s) on file in your student's FACTS Family Portal account will receive these messages.

Finally, thank you again for trusting SPCS with your child's education, care, and continued spiritual growth. His word true "...train up a child the way he should go: and when he is old, he will not depart from it". I look forward to partnering with you and know that it is going to be an amazing school year!

In Him,

Bobby Hunter

JITTER JUICE TO THE RESCUE

The first day of school can be scary, but jitter juice brings a smile to everyone's face! Mrs. Tuten's 1st Grade class and Mrs. Koon's 2nd Grade class is proof of that!

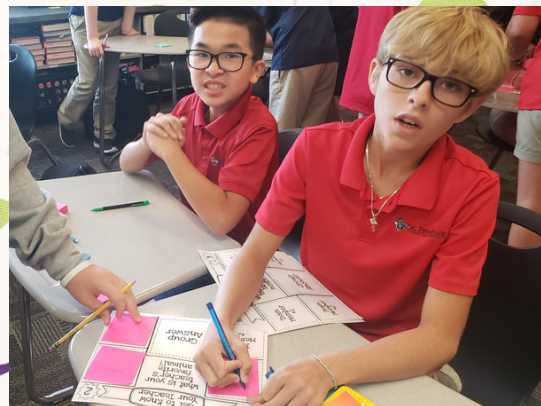

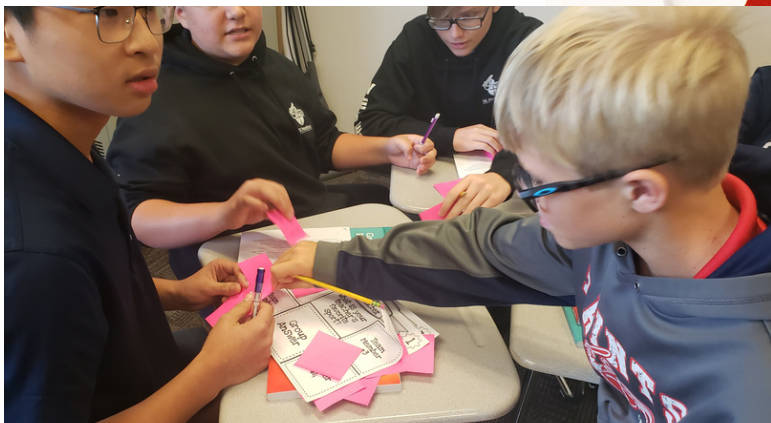

UPPER DIVISION BOOK TASTING PARTY

Today in English class, Upper Division students enjoyed a Book Tasting! They "tasted" books, reading the first couple of pages and writing their initial opinions. As they read, they were offered literary snacks, including "Plot Twists" and "Edgar Allen Pocky!"

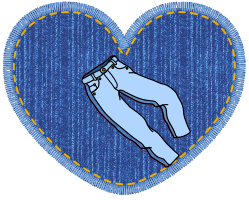

UPPER DIVISION GETS TO KNOW MRS. MCBRIDE

Upper Division students played a game called "How Well Do You Know Your Teacher?" in Mrs. McBride's English class! They were asked a question about her, such as "What's Mrs. McBride's favorite color?" The teams with the most correct answers, both individual answers and group answers, earned points! Surprisingly, only a few kids knew that Peppermint Patties are her favorite candy!
