HEAR FROM THE HEADMASTER

SPCS Families,

It was a great four day week at SPCS filled with Easter inspired lessons, activities, and reflection. We ended our week with a school-wide Chapel service, honoring our Lord in worship and praise, and thanking Him for the gift of His son. I hope that you and your family have a blessed, long Easter weekend!

As we move into the final weeks of the school year, there is a lot in store, including SAT testing, field trips, elementary talent show, middle school sports banquet, the Spring concert, and more. You can always stay up to date with the latest news and events via our website and Weekly Spotlight.

"Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead." 1 Peter 1:3

In Him,
Bobby Hunter

6TH GRADE SCIENCE

The 6th graders are working on their new unit of study on meteorology. Students participated in a lab to learn about weather tools. Lab groups created anemometers to track wind speed and calculate the revolutions per minute of their devices.

7TH GRADE SCIENCE

The 7th graders are immersed in their Ecology studies in preparation for Nature's Academy. Students created exotic animal habitats including all aspects of their chosen biome.

6TH GRADE MATH

Sixth grade students are learning to write ratios, find rates, and unit rates. They used the Publix ad to find items on their shopping list and determine the unit price for each item.

SSYRA READERS

Mrs. Koon had 2 more students pass all of the AR tests for the 2024 SSYRA reading books.

Great job Easton and Elena!
