Headmaster's Message

SPCS Families,

November welcomed us with some much appreciated cooler weather!

Our week ended with Second Grade students traveling to Lowry Park Zoo. It was an awesome trip and our students represented SPCS with great character. Thank you students, teachers and parents for being SPCS!

Next Tuesday, November 10, is Kindergarten Open House from 6:00-8:00. Parents, please spread the word. Together, we have an amazing school! We would love to see your friends come and join us.

Enjoy your weekend and remember "...in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." Phil 4:6-7

God bless,
Bobby Hunter

5th Grade Cell Study

Our fifth graders are learning about cells and how great God's creation is. Students have been working on a poster project learning about plant and animal cells during their Biology unit. Great job exploring the wonder of God's handiwork!
