HEAR FROM THE HEADMASTER

SPCS Families,

With just over a month of school remaining, we have lots to look forward to. Our final weeks together will include the Spring Concert, Varsity Sports Banquet, Elementary Water Day, and many end of the year field trips and celebrations! With all that going on I encourage our students to finish strong—work hard—play hard!

This week, our 7th Grade students enjoyed their 3 days at Nature's Academy and 8th Grade students enjoyed Washington DC. The memories made on these trips will last a lifetime! Next week, 3rd Grade will take their annual trip to Kennedy Space Center. Watch for pictures and highlights from this trip in next week's SPOTLIGHT!

Enjoy your weekend and "You shall eat the fruit of the labor of your hands; you shall be blessed, and it shall be well with you." Psalm 128:2

In Him,
Bobby Hunter

UPCOMING EVENTS

Abbreviated Day
5/6/22

Varsity Sports Banquet
5/6/22

Spring Concert - Grades K-4
5/10/22

Lower Division Water Day
5/20/22

7TH GRADE EXPLORES NATURE

Students in 7th grade attended the annual Nature's Academy field trip this week. They participated in a variety of activities to learn about our local ecosystem. They had an opportunity to team build, broaden their understanding of the need to recycle/reduce/reuse, canoe, paddleboard, and explore our local estuary. The education staff at NCI worked with them to raise awareness of the importance of being good stewards of the environment!

8TH GRADE VISITS WASHINGTON DC

Our 8th Graders added to the memories of their final year at SPCS with a fun trip to Washington DC. The students were escorted around the city by wonderful tour guides that shared the history and meaning behind so many of our nation's capital landmarks!

SCIENCE CLUB FUN

Students really enjoy Mrs. Hullett's weekly after-school Science Club! Here are some of the exciting activities!

Scholastic BOOK FAIR

Thank you to everyone that came to the Book Fair! Happy Reading!

4TH GRADE CHICKEN

Mrs. Renninger's 4th grade students were blessed to watch a chick hatch on 4-13-22. The students named the new chick Chica. The students observed the eggs in their class incubator for 21 days.

GRADES K-4 AND BAND

Spring Concert

TUESDAY, MAY 10, 2022

St. Petersburg Christian School

SPORTS BANQUET

FRIDAY, MAY 6, 2022 ~ 6:30PM

LET'S RALLY FOR CHLOE THE PRINCESS WARRIOR

Those that were here several years ago remember how our SPCS family came together to pray for and support the Grimes family while precious Chloe battled lung cancer at the age of 2. Chloe is not only a fighter but a WINNER! A little more than 5 years ago Chloe's little body conquered cancer and was in remission.

After her victory, Chloe the Princess Warrior grew into a beautiful young softball playin', bug catchin', challenge all the boys kind of girl. After years of clear scans, recent scans show our girl is going back into the ring to fight cancer found throughout her thyroid.

For those that are not aware, Chloe's big brother, Camrin, is an SPCS 8th grader and will graduate in May. Chloe and her other brother, Clayton, will join us at SPCS next year!

Chloe has her thyroid removal surgery scheduled for May 3rd. Following the surgery she will have several rounds of intensive radiation to rid her body of any remaining bad cells. The intensive treatment plan requires Chloe to isolate several times in germ free environments. This will lead to her parents having to take time off of work to be at her side.

So let's rally to help support the Grimes family! With your help we can minimize some of their financial burden so they can be by Chloe's side throughout this lengthy process.

Purchase a Rally For Chloe Bracelet and know that 100% of the funds will go directly to Chloe!! If you are not able to financially contribute, please keep our girl in your prayers. We have seen firsthand the miracle of joining in prayer for Chloe's healing!
