HEAR FROM THE HEADMASTER

SPCS Families,

This SPOTLIGHT is packed with evidence of the learning and fun happening at SPCS both on and off campus! I am proud of our 5th and 2nd Grade students who did their best on field trips this week. I heard that you represented with Saints pride!

There are many events planned for October including our Kind Mouse Food Drive, sponsored by NJHS, our Cancer Awareness Dress Down Day, sponsored by SGA, and our Fall Family BBQ sponsored by PTF. We appreciate your support and participation in these events. They all contribute to our school's mission of being a lighthouse in the community!

"And do not forget to do good and to share with others, for with such sacrifices God is pleased." Hebrews 13:16

Enjoy your weekend!

In Him,
Bobby Hunter

3RD GRADE READING ADVENTURE

Mrs. Hunter's class is reading Charlotte's Web. She has many fun activities planned as they make their way through the classic children's novel.

2ND GRADE VISIT THE ZOO

The 2nd graders loved ZooTampa at Lowry Park. They got to see all of the animals, ride the rides, and participate in an Elephant Excavation where they sifted sand to reveal amethyst, rose quartz, fools gold, emeralds, and many other stones. They even got to take their treasure home!

COMMUNITY HELPERS IN KINDERGARTEN

Beekeeper Allison Davis shared her knowledge of bees with our Kindergarten students. She explained the importance of bees, explained how bees are hard workers, and even shared some honey from her hives. We all learned so much!

5TH GRADE VISITS ENTERPRISE VILLAGE

Our 5th graders looked their best to spend the day at Enterprise Village. Enterprise Village is a self-contained economic education program that provides a hands-on learning experience for students. The layout of Enterprise Village is similar to a shopping mall. During their business day, students work in one of the many businesses, take 3 breaks, receive paychecks, and have the opportunity to be consumers by making purchases in one of the business-sponsored storefronts. We appreciate all of the parent volunteers who joined us as well!

7TH GRADE SCIENCE

The 7th graders completed an engineering challenge this week. Teams partnered to design the best model airplane to perform stunts in the air and then watched their planes loop-de-loop and soar like birds.

NJHS KIND MOUSE SERVICE PROJECT

Each year, NJHS students sponsor a food drive to support the Kind Mouse and appreciate our SPCS school community supporting the cause. Kind Mouse helps families that are food insecure. Food donations support school-age children in need. Our NJHS members will be accepting donations in morning carlines.
