HEAR FROM THE HEADMASTER

SPCS Families,

I am very proud of ALL our students! They did their best on SAT testing this week. Thank you parents for having them to school on time, rested, and ready. We even had 100% attendance on Thursday - way to go! I also want to recognize our dedicated teachers for equipping our students with the knowledge to well on the test and for making the week fun with special activities and events!

I hope that as we wind down this school year, students will stay focused, enjoy their time together, and grow closer to Him. With the celebration of the Resurrection of Jesus almost here, there will surely be focus on the eternal life that he has given those who believe and the importance of living our lives with and for Him.

"But may all who seek you rejoice and be glad in you; may those who long for your saving help always say, 'The LORD is great!'" Psalm 40:16

Enjoy your weekend!

Bobby Hunter

Sunday Best Dress Up Day

4/17/25

Good Friday - NO SCHOOL

4/18/25

Easter Monday - NO SCHOOL

4/21/25

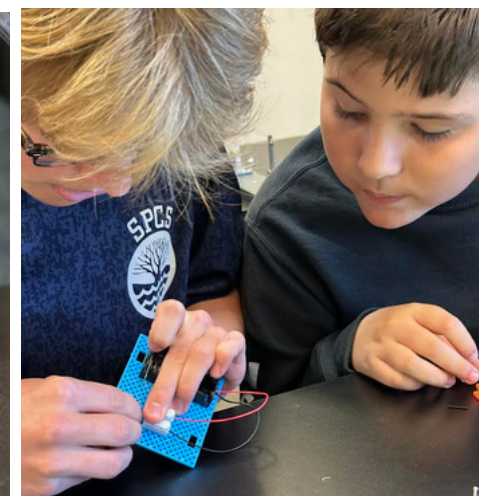

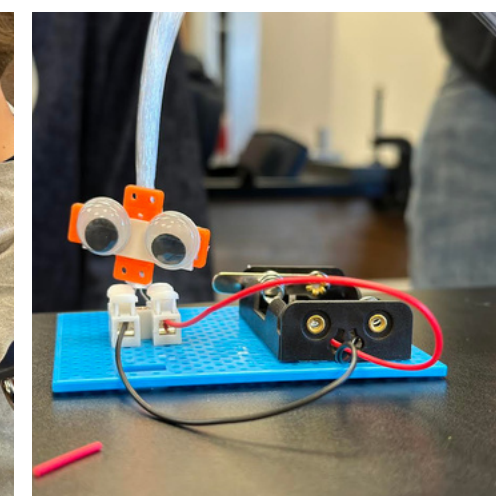

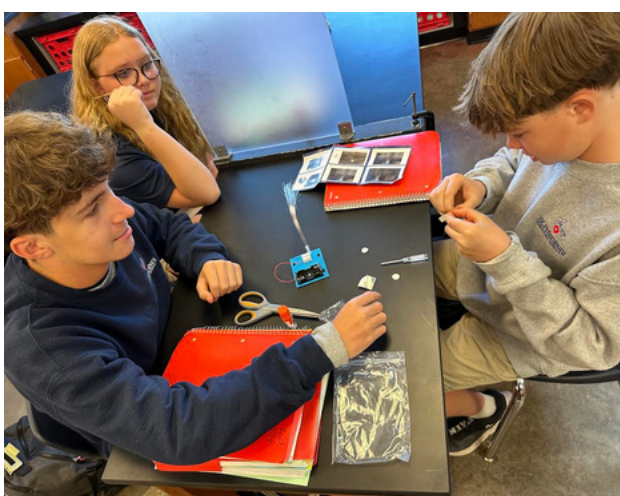

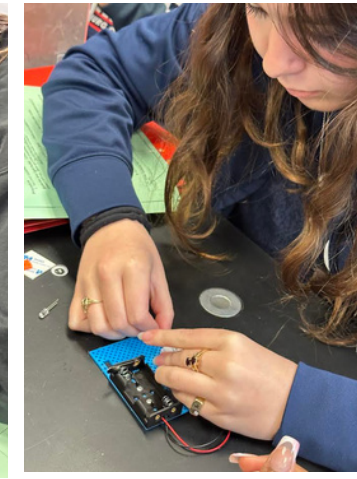

NJHS COMMUNITY SERVICE

Our current NJHS members worked together at Feeding Tampa Bay to pull together and sort food and household items for families in need. Students served in their new community donation center in Tampa. NJHS members assisted in assembling boxes filled with canned fruits/veggies, dry goods, individually wrapped snacks, water, and household supplies. Our students assisted in assembling over 16,000 pounds of food during their shift. It was work that makes a difference!

8TH GRADE SCIENCE

Middle school students utilized their skills to construct circuits. Students worked with their peers to build a working circuit in the science lab. Successful teams made devices that lit up with rotating colors.

ELEMENTARY TALENT SHOW

Elementary students gathered in the gym after SAT testing on Wednesday to cheer on their classmates as they performed at our annual talent show. We have some talented students and we are proud of their dedication and courage! We had singers, dancers, rappers, musicians, a hoverboarder, and a unicyclist!

SPCS HAS GONE TO THE DOGS

The stress of SAT testing was out the door as students in grades K-4 welcomed Menestrelli Circus Dog Show to the gym on Tuesday. What a treat!
