HEAR FROM THE HEADMASTER

SPCS Family,

Thank you for your kind support of our Dress Pink Day this week. Your generosity will help those battling cancer. This week we also kicked off our Operation Christmas Child shoebox drive. We have participated in this event since 2019 and it is heartwarming to see the outpouring of love and care that goes into each box. This year, you can discover the destination country of your shoebox by attaching a tracking label before bringing it to school on the 18th. Click the link found later in this SPOTLIGHT to get the label.

Next week we invite all service members to join us for our Veteran's Day Chapel. Each year, we host this chapel service to educate students about our military, highlight service members who are connected to SPCS, and pay tribute and pray for our military together as a school family. It is always a great experience and parents are encouraged to attend.

"I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds." Psalm 9:1

In Him,

Bobby Hunter

SPCS VETERANS DAY HERO WALL

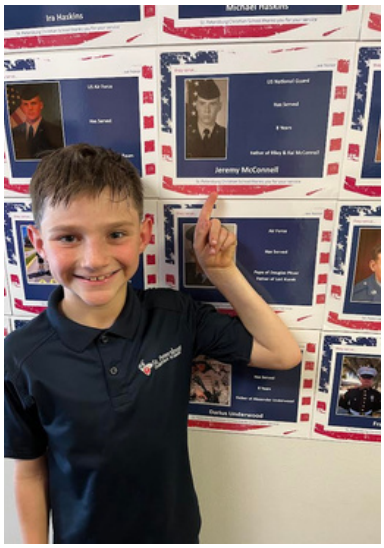

Since 2019, our Hero Wall has continued to grow. This year, 221 members of our SPCS family/extended family are represented. Those represented include 9 SPCS alumni. Thank you for your service.

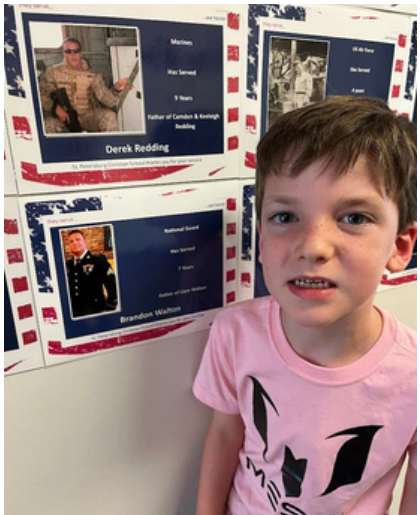

NJHS OPERATION CHRISTMAS CHILD

NJHS students kicked off our Operation Christmas Child outreach in Chapel this week. Help us help kids around the world who live in less fortunate areas, and particularly those who have never heard the message of Jesus.

If you include your name and an address, the child may be able to write back.

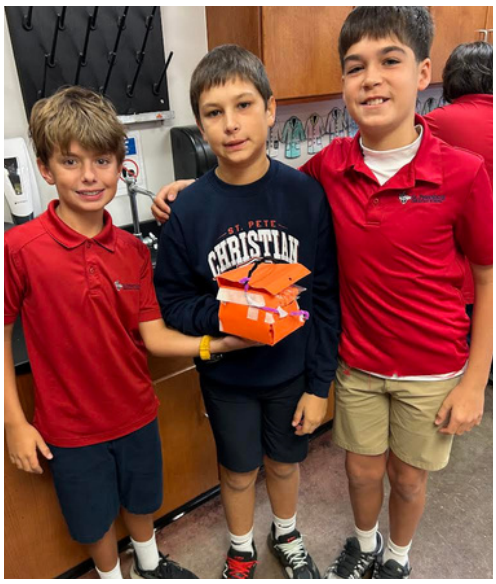

Do Not Include candy; toothpaste; gum; used or damaged items; war-related items; seeds; food; liquids or lotions; medications or vitamins; breakable items or glass containers; aerosol cans.

MIDDLE SCHOOL SCIENCE FALL FUN

Our Middle School students participated in fun fall labs this past week. The 8th graders worked to build a candy dispenser with gears. Our 7th graders continued their exploration of body systems and constructed 'bone bridges' in a STEM lab. Sixth grade teams designed containers and incorporated their math skills to fortify their creations so they could carry the greatest amount of weight. Lab partners worked through the steps of the scientific method to develop unique designs that were effective and successful. Great job working together!

KINDERGARTEN CRAFTS

The hallway outside Miss Dorsett's classroom is decorated with turkeys gobbling up all of the good work her students do!

1ST GRADE FALL FESTIVITIES

The fall crafting continues in Mrs. Hendley's 1st grade class. Her students brought the fall leaves to Florida and added a little sparkle!

4TH GRADE FALL PHOTOS

Mrs. Luker's students are loving 4th grade!

2ND GRADE LUNCH BUNCH

Congratulations to these 2nd graders who read 10 or more books in October and enjoyed an ice cream lunch bunch!

WINTER SPORTS

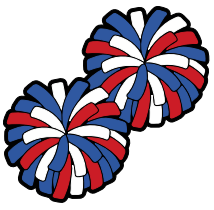

Welcome this year's cheerleaders! They will cheer for our basketball teams!
