

Dear Parents,

We have put this reading packet together to help encourage summer reading for incoming first grade students. Please help your child this summer by encouraging them to read at least 10 books this summer. We have attached a reading log for you to help them fill out. There is enough spaces for 15 books, but only 10 are necessary. Next, have the children complete the "My Favorite Book" page on **ONE** of the books that they read.

This is not required reading. If your child completes this optional activity, they will receive 10 extra credit points in reading/phonics for the first quarter.

Taking an active part in your child's learning will help them to stay on track and motivated to keep reading.

Happy Summer!

The First Grade Teachers
