HEAR FROM THE HEADMASTER

SPCS Families,

Thank you for another great week! I want to remind you that there are only a few days remaining to take advantage of the \$100 enrollment fee discount. On Wednesday, 2/15/23, the fee will increase to \$250. We are expecting several grades to reach capacity once we open enrollment to new families, so please do not delay and reserve your student's seat.

The rest of February is sure to fly by with athletic events, the Father/Daughter Social, NJHS Laundry of Love Coin Drive, Fun Run Kickoff, numerous field trips, and other activities. It is my hope that you are able to join in some of these events and experience why we are so proud of all that our students, staff, and faculty accomplish!

"Two are better than one because they have a good reward for their toil. For if they fall, one will lift up his fellow." Ecclesiastes 4:9-10

Have a great weekend!

Bobby Hunter

UPCOMING EVENTS

President's Day - NO SCHOOL
2/20/23

FUN RUN Kickoff
2/23/23

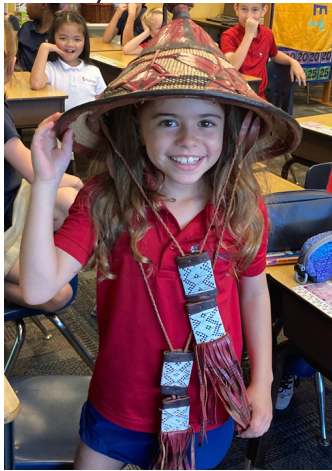

Father/Daughter Social
2/25/23

6th Annual FUN RUN
3/03/23

2ND GRADE GUEST SPEAKER

Mrs. Koon's class had a special guest this week! Alex U.'s dad shared his experiences as an Army Intelligence Officer. He brought in items he purchased in Israel, England, and other countries. The students had a great time listening as he explained what "classified documents" are and how many of them he has read during his military career.

1ST GRADE VISITS AQUARIUM

First Graders had fun at the Florida Aquarium this week! They learned about animals and their habitats, participated in hands-on activities, and explored the different exhibits!

KINDERGARTEN SOCIAL STUDIES

Kindergarten students are learning all things president including the fun fact about how George Washington was honest after chopping down his father's cherry tree. In Mrs Dorsett's class, their

presidential knowledge was reason enough for a "sweet" celebration - cherry pie!

NJHS Laundry Love Project

Let's help our NJHS students help others!
Please donate your spare coins in car line until Wednesday 2/22/23!
The students will do the rest - spreading God's love and lessening the burden on many families in our community.
Thank you!

7TH GRADE SCIENCE

Seventh-grade students are conducting dissections in science class this semester. They began with white rats in order to study the complexity of God's creatures. Students remained focused and supported each other through the dissection process.

POPCORN, POPCORN! GET YOUR POPCORN!

THURSDAY 2/16/23

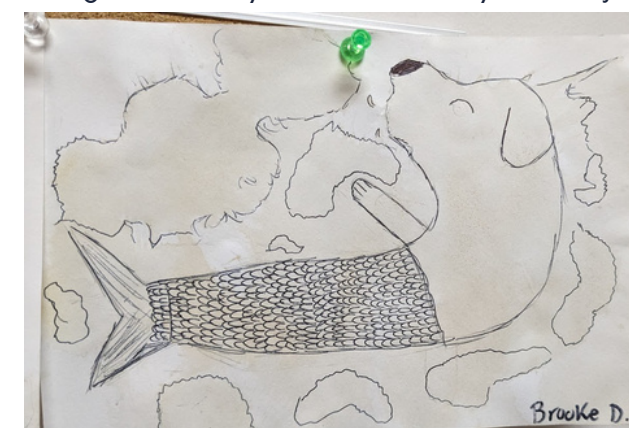

\$1.00

7TH GRADE ENGLISH

In English class, 7th-grade students had the opportunity to "spill the tea" about their feelings on creative assignments at school. Students dripped tea onto a canvas, let it dry overnight, and then turned their tea spills into artwork. Some students were full of ideas while others struggled to find shapes on the paper. After completing their artwork, students took time to write a reflection on the activity. Then, we had a conversation about strengths and weaknesses. We discussed how trying new things, even if you don't think you'll enjoy them, might just turn out to be fun.

Presidents Day

NO SCHOOL Monday - February 20th

REWARDED FOR READING

Students in grades 2-5 that read and took an Accelerated Reader quiz for each of this year's SSYRA books joined Mrs. Hunter at the bowling alley for fun and food this week! It takes dedication to read all of those books and over 20 students completed the challenge!

5TH GRADE WRITERS

Students in 5th grade are focused on proper writing skills and recently shared their writing with their peers. It is always good to have a friend's encouragement!
