## HEAR FROM THE HEADMASTER

SPCS Families,

Thank you for another great week! Tonight we will honor our varsity athletes at the annual Sports Banquet. These athletes work hard to represent our school and their coaches are dedicated to mentoring them on and off the field. We look forward to celebrating with the athletes and their families. Our Booster Club has done an amazing job taking the event space back to the 80's!

Next week, we hope to see you at the Lower Division and Band Spring Concert. The students continue to practice and it should be a great performance. There are also several field trips and our NJHS members will spread His love at Feeding Tampa Bay.

"And let us run with endurance the race God has set before us." Hebrews 12:1

In Him,

Bobby Hunter

## UPCOMING EVENTS

**Spring Concert - Grades K-4**  
5/10/22

**Lower Division Water Day**  
5/19/22

**Kindergarten Graduation**  
5/24/22

**8th Grade Graduation**  
5/24/22

Enter for a chance to win one of 10 \$500 gift cards from Lands' End School.

Enter today for your chance to win.  
The sweepstakes closes on May 30, 2022.

**LANDS' END** 

## 6TH GRADE ENGLISH

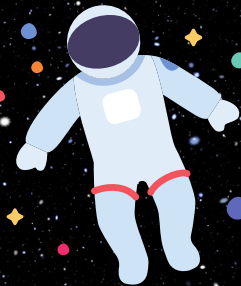

In English last week, our 6th graders diligently rehearsed and prepared for this week's Reader's Theater! K-5th grade students came and watched the students perform their plays and learn more about Jesus! They did a fantastic job!

# 3RD GRADE VISITS KENNEDY SPACE CENTER

Third Graders launched into a galaxy of fun and learning at Kennedy Space Center last Friday. The students explored massive moon rockets, toured NASA's spaceflight operations, interacted with immersive simulators and exhibits, and so much more. It was a great way to cap off their year!

# 7TH GRADE SHARK DISSECTION

As our school year draws to a close, our 7th graders completed their final dissection of the year. Students explored the anatomy and physiology of dogfish sharks. Students worked with partners to view the structures in these complex vertebrates. We are proud of their work in Life Science this year!

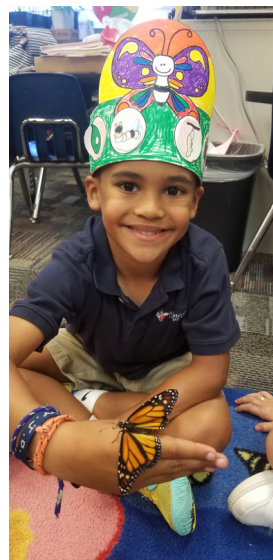

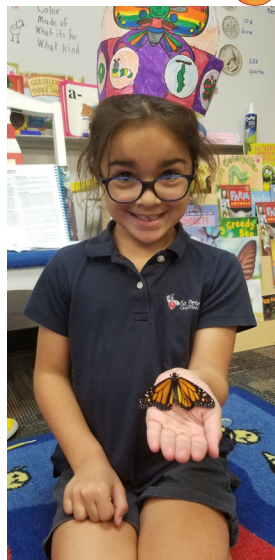

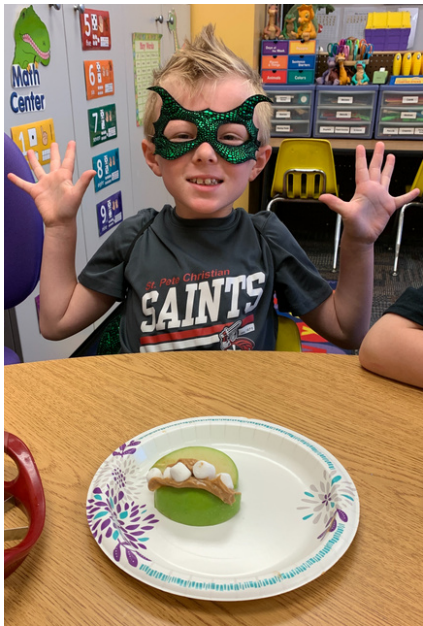

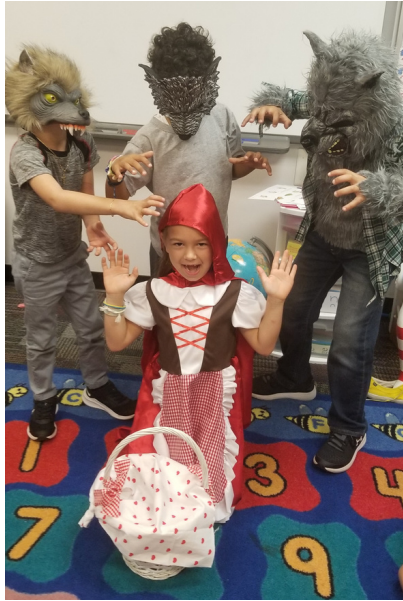

# IT WAS A FUN WEEK IN KINDERGARTEN

The crafts, snacks, and stories were all about Fairy Tales this week in Kindergarten! It all led up to a Fairy Tale dress up day on Friday. They also culminated their study of insects by witnessing the transformation of a caterpillar to a beautiful butterfly.

Mrs. Hunter needs volunteers to cover new library books at home. All supplies are provided!
