HEAR FROM THE HEADMASTER

SPCS Families,

We had a week packed with learning and activities. Our third graders are preparing for their trip to Kennedy Space Center next Friday. This field trip is always an exciting and informative adventure for these young minds.

Next week our 7th and 8th graders will also embark on their much anticipated field trips to Nature's Academy and Washington DC respectively. These trips are the culmination of the 7th graders science lessons and 8th graders social studies curriculum. The students will put learning into action and come home with memories of fun times. We appreciate the parents that are joining us, as well as the teachers that worked hard to prepare their students for the trips.

"You'll travel safely, you'll neither tire nor trip...Because God will be right there with you; he'll keep you safe and sound." Proverbs 3:23, 26

In Him,

Bobby Hunter

UPCOMING EVENTS

Early Dismissal

5/03/24

Grades K-1 11:00

Grades 2-4 11:15

Grades 5-8 11:30

Varsity Sports Banquet

5/03/24

Elementary Spring Program

5/07/24

MIDDLE SCHOOL CHAPEL

NJHS students led the worship activities in Middle School Chapel. Members of our 8th grade NJHS service organization provided the music, message, and devotions. Our 5th - 8th graders even competed in a game to kick off our time of fellowship. It was a time to reflect on the impact the students had on campus and in the community.

ELEMENTARY CHAPEL GUEST SPEAKER

Elementary students had a guest speaker in Chapel this week. Elijah, in Mrs. Patterson's Kindergarten class, welcomed his dad who is a paster at Radiant Church. Pastor Mills told the Bible story of Jesus walking on water with the lesson that to do great things in life you need to do 3 things!

Listen to HIS voice
Don't focus on the storm
Keep your eyes on God

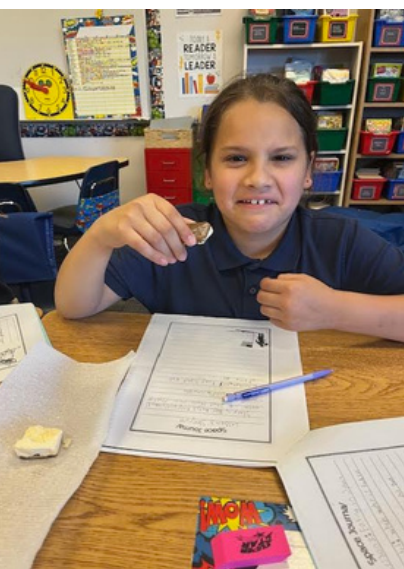

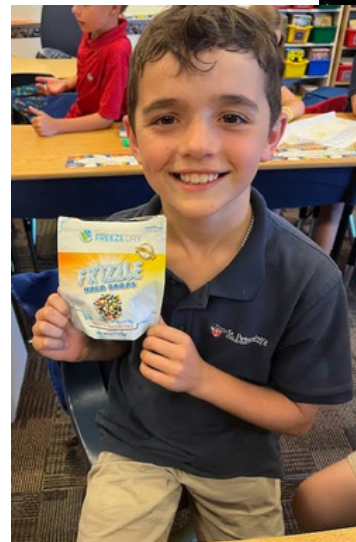

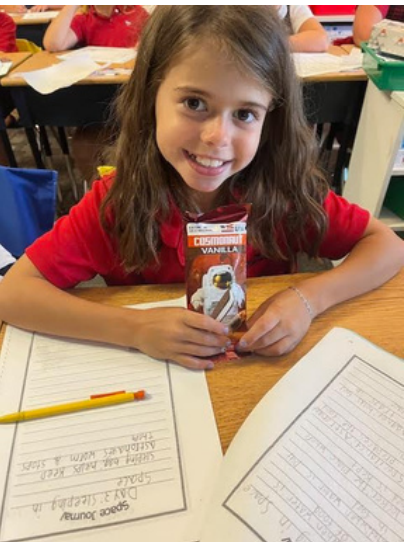

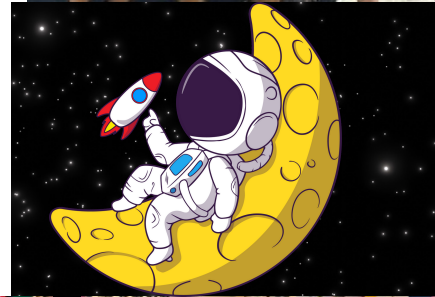

MIDDLE SCHOOL FIELD DAY

To wrap up SAT testing last week, Middle School students participated in a Field Day. It was a great day to get outside and have fun with friends!

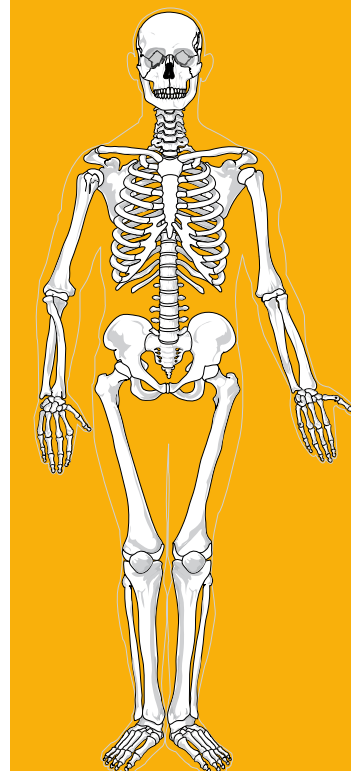

3RD GRADE GET A TASTE OF SPACE

Students in 3rd Grade are gearing up for their Kennedy Space Center field trip next week! They had the opportunity to try some astronaut food this week! The freeze-dried foods included ice cream, candies, and fruits. The reviews were mixed!

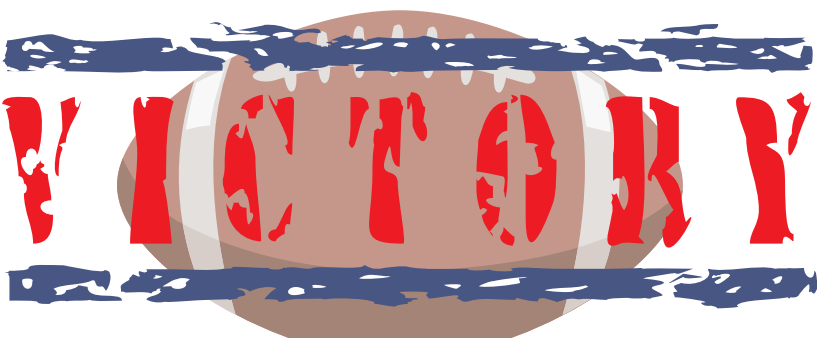

KINDERGARTEN GUEST SPEAKER

A guest speaker from Johns Hopkins All Childrens's Hospital visited with each Kindergarten class this week, teaching them about their bones and the importance of keeping them healthy.

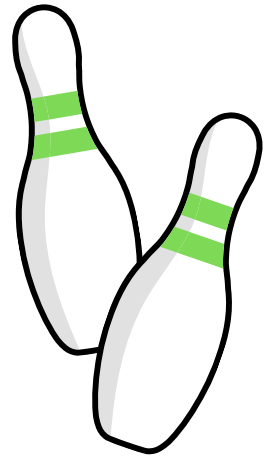

FLAG FOOTBALL COMEBACK

Down to the final minutes of their game against PAMS this week, the flag football team enjoyed a pick six. PAMS had the ball and was attempting a long pass. The pass resulted in an amazing interception and run back by Denny N. to put the Saints on top and walk away with a VICTORY!

KINDERGARTEN CELEBRATES READING

Kindergarteners were treated to bowling and pizza at Sunrise Lanes to celebrate their reading accomplishments this year.

*"A little consideration, a little thought for others, makes all the difference."
- Eeyore*
