

# THE SPOTLIGHT

OFFICIAL NEWSLETTER OF ST. PETERSBURG CHRISTIAN SCHOOL

3/27/2026

## HEAR FROM THE HEADMASTER

SPCS Family,

Thank you for a great week! Easter is just around the corner, and next week is a short week, with no school on Good Friday. I invite you to join us in celebrating the resurrection of Jesus Christ at our Easter Service on Thursday at 1:30 in the gym.

As we move into the final weeks of the school year, there is a lot in store, including SAT testing, field trips, an elementary talent show, a middle school sports banquet, and more. You can always stay up to date with the latest news and events via our social media and weekly Spotlight.

"There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all."

Ephesians 4:4-6

Enjoy your weekend!

Bobby Hunter

## UPCOMING EVENTS

---

**Easter Service**

4/2/26

---

**NO SCHOOL - Good Friday**

4/3/26

---

**NO SCHOOL - Easter Monday**

**FUN RUN**  
St. Petersburg Christian

 **Grades K-5**   
**SKY ZONE**<sup>®</sup>

**224/236** students enjoyed fun with their friends at **Skyzone** on Tuesday! **Thanks for your support!**

# Phase #1 Complete

*Thank you for supporting  
the 2026 Fun Run*

This year's Fun Run proceeds have already made an impact with the completion of Phase 1 of the Walkway Project! We are grateful for the support of our SPCS families and community sponsors for making this year's event an overwhelming success! **The final total was \$85,530!!**

# BOOSTER BASEBALL DRESS DOWN DAY

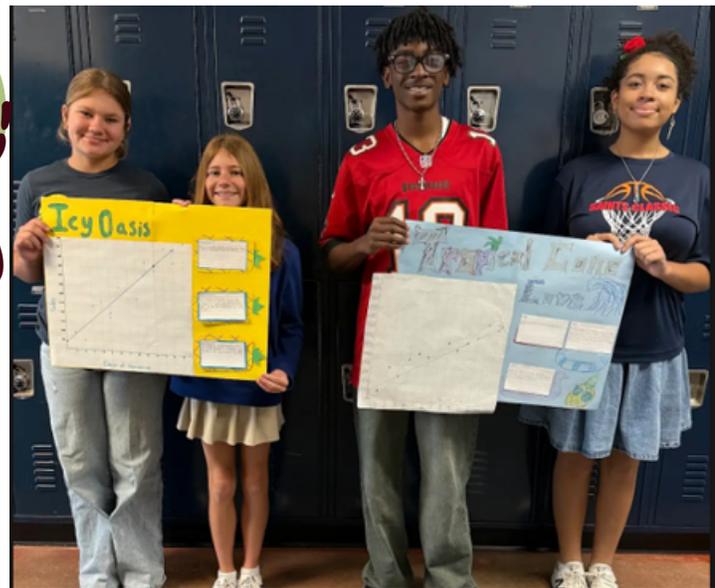

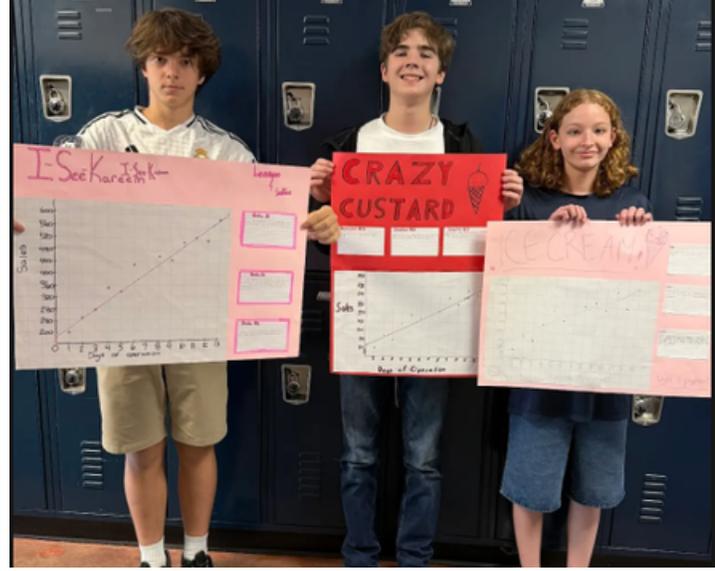

# 7TH GRADE SCIENCE

As they explore anatomy and physiology, the importance of building science models has been discussed. Students learned why models are built prior to launching big projects in various science fields. They then worked to create unique teaching tools, building hearts, limbs, lungs, and more to demonstrate how the human body works.

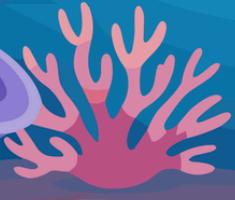

# MIDDLE SCHOOL ALGEBRA

Algebra students created scatter plots and using linear regression, graphed a line of best fit for their ice cream shop. They then had to determine when they first made a profit, create a sales pitch, and predict what their profit would be after the first 30 days.

**BOOK FAIR**  
*April*  
**24TH - 30TH**

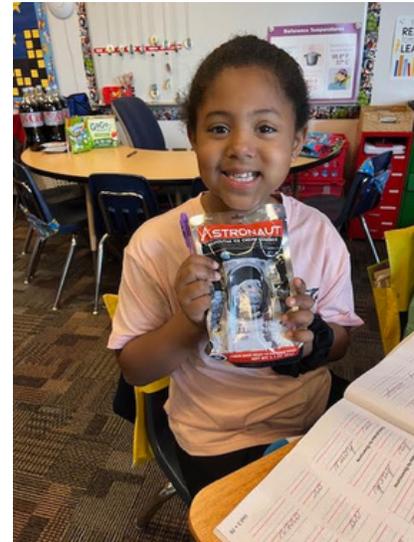

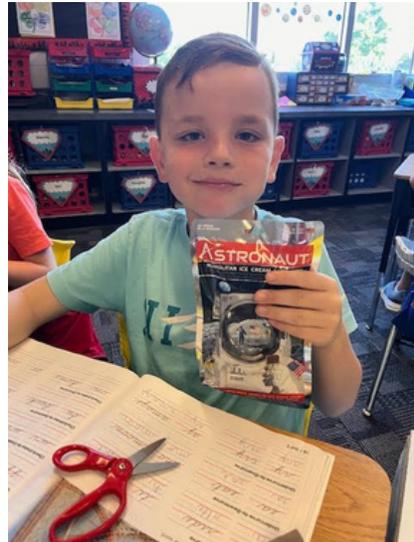

# 5TH GRADE READING

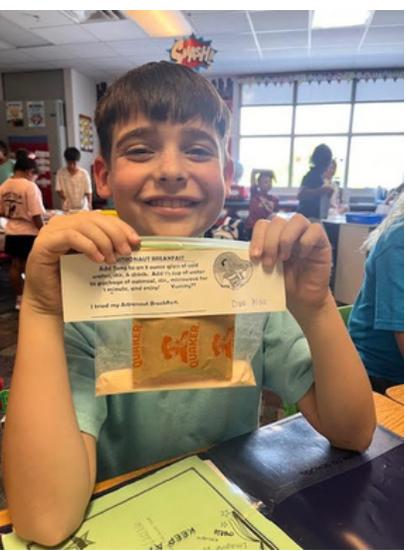

These 5th grade students worked hard to meet their 3rd quarter AR goals, showing dedication, perseverance, and a love for reading. We are so proud of their effort and the growth they have made as readers this quarter!

# 3RD GRADE PREPARES FOR BLASTOFF

In preparation for their Kennedy Space Center field trip this week, students witnessed rocket launches with Mentos and Diet Coke, ate space foods (dehydrated), and tried an astronaut breakfast of Tang and oatmeal just for a fun!

# NJHS CHAPEL TAKEOVER

NJHS students led the worship activities in an NJHS Chapel Takeover Service. Members of our 8th grade NJHS service organization provided the music, message, and devotions. Our 5th - 8th graders even competed in a game to kick off our time of fellowship. It was a time to reflect on the impact the students had on campus and in the community throughout the school year.

# SPRING SPORTS UPDATE

Celebrate  
**EASTER**  
at Suncoast

SUNDAY, APRIL 5TH | 10:30AM

EASTER EGG HUNT AFTER SERVICE
