HEAR FROM THE HEADMASTER

SPCS Families,

Last weekend the Junior Varsity Basketball team hosted teams from around the area for the inaugural JV Saints Classic Tournament. The boys won both of their games on Friday, but were defeated on Saturday despite a great effort. We appreciate everyone that came to cheer them on and hope that you will return this weekend for our varsity team as they look to win the Saints Classic Tournament. Do your best boys!

Our school community always does their best for the annual Kind Mouse Outreach. Included in this SPOTLIGHT you can see items that we are collecting to bless less fortunate students in our local community. It is a fulfilling experience for our NJHS students when they visit Kind Mouse to individually assemble the bags that will soon feed another child. I thank you in advance for your support!

"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver." 2 Corinthians 9:7

In Him,
Bobby Hunter
