## HEAR FROM THE HEADMASTER

SPCS Family,

Next week is full of fun and exciting events for students of all grades as we celebrate the end of a successful year. The students are sure to have a great time and make memories with their friends and teachers before we break for Summer!

As we close out another amazing year, I want to thank you for trusting us with your children, for attending our events, and for wholeheartedly supporting our school. The SPCS community is truly special, and I am thankful to every student, staff member, and family member that is a part of it. I look forward to many more years of shared accomplishments and continued excellence.

"Greater love has no one than this, that one lay down his life for his friends." John 15:13

In Him,  
Bobby Hunter

## UPCOMING EVENTS

---

**Last Day Of School**  
5/21/25

---

**First Day Of School**  
8/12/25

---

# LAST CHAPEL OF THE YEAR

We gathered as a school community for the final Chapel of the year. We welcomed a worship band, which included alumni Josiah Kraus, that led the worship songs. Mr. C. shared the message and Mr. Langlois presented this year's yearbook which is dedicated to Mrs. Godfrey.

# NJHS NEW MEMBER INDUCTION CEREMONY

The 2024-2025 Officers and additional NJHS members participated in the NJHS Induction Ceremony to welcome our 2025-2026 class. New members learned about the tenets of NJHS membership including character, leadership, citizenship, and more. Students were not just recognized for their academic achievements but also for exemplifying characteristics of leadership. New members include: **Abigail B., Sofie C., Kady D., Dominic D., Hailey H., Peyton J., Nathan M., Layla N., Greyson P., Levi P., Sophie S., Brielle S., and Stella S.**

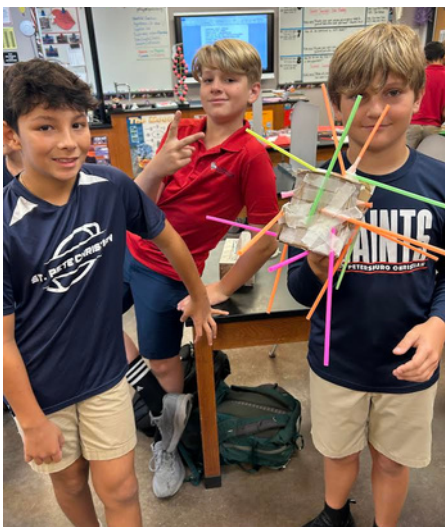

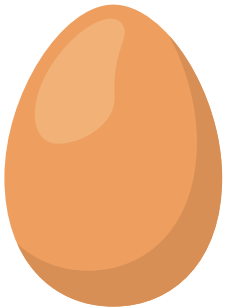

# 6TH GRADE SCIENCE

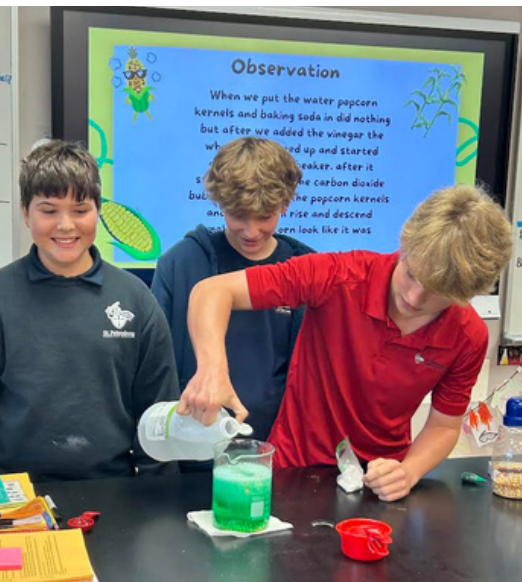

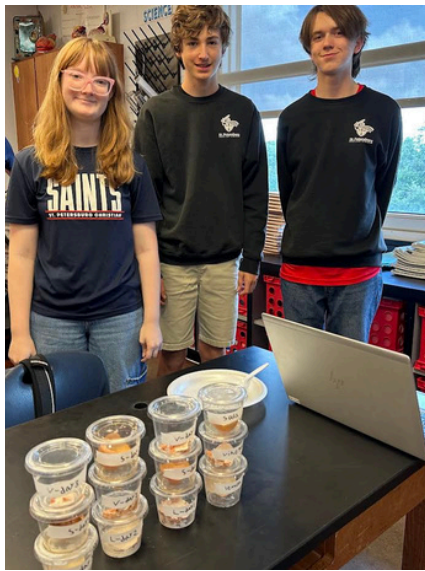

Sixth graders participated in our annual opportunity to show off their engineering skills with the Egg Drop Challenge. Teams planned and created sturdy containers that met a set of criteria and constraints. Each device had to carry an uncooked egg to safety on the ground without breaking on impact. Lots of fun while using their science skills!

# 8TH GRADE SCIENCE

As our 8th graders prepare to wrap up their time in middle school, they planned and designed their own lab experiments. Groups created a hypothesis to test their scientific question and then implemented a science experiment. After collecting data with lab partners, teams presented their work to classmates to demonstrate if their hypothesis was correct.

# 4TH GRADE FIELD TRIP

Our 4th graders traveled to St. Augustine for their much anticipated exploration of the history there! The knowledgeable tour guides provided interesting facts and information on the many sites visited. Some of the sites were the Fountain of Youth, Castillo De San Marcos, the Old Jail, and the Fountain Of Youth. Many memories were made on this trip!

**SUMMER  
VOLLEYBALL**

**July 28 - August 1**

Beginner/Intermediate Camp: 5:30PM-6:30PM \$100  
Intermediate/Advanced Camp: 7:00PM-8:30PM \$125

# SSYRA CELEBRATION

The 43 students who completed all required Sunshine State Young Reader books, for their grade level, and passed an Accelerated Reader test for each one were rewarded on Thursday. They spent the morning at Treasure Island Fun Center playing games and eating pizza and cupcakes with their friends!

## 1st Grade

Maverick A., Grayson B., Victoria B., MJ B., Kennedy C., Eva-Maria D., Luna D., Elijah H., Camdyn H., Bennett J., Payton K., Kai M., Ellie M., Reid M., Griffin P., Romello S., Skylar S., Leo V., and Riley W.

## 2nd Grade

Ellie C., Maya C., Penelope D., Leah F., Baylee G., Eva G., Harland G., Mila H., Lyla H., Harlee J., Eli J., Noelle M., Douglas P., Milo P., Madison S., and Colton S.

## 3rd Grade

Easton W.

## 4th Grade

Jeremiah W. and Barrett W.

## 5th Grade

Carolina C., Ella L., Colton M., Steele P., and Aria W.

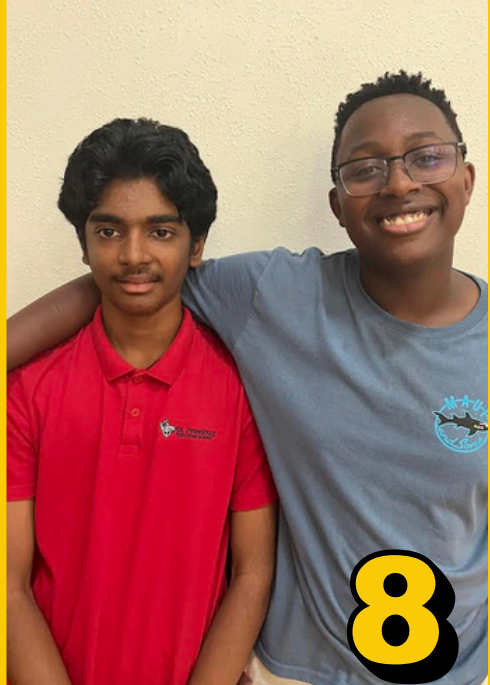

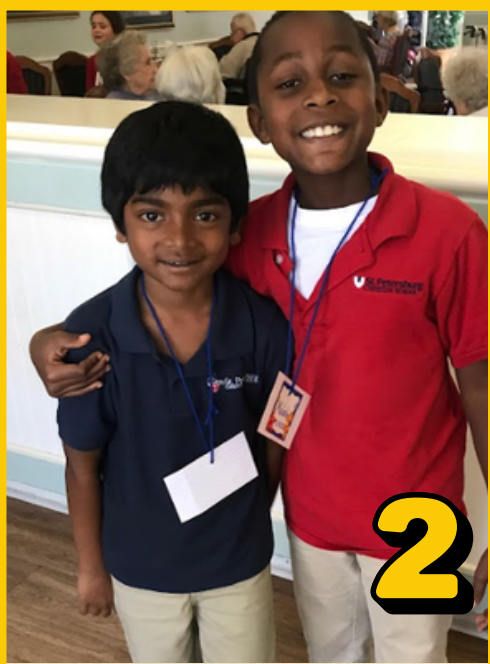

Celebrating  
**GOOD**  
Friends  
over the years!

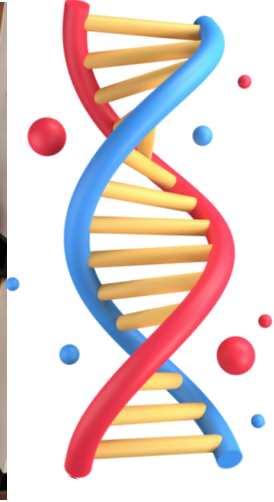

# 7TH GRADE SCIENCE

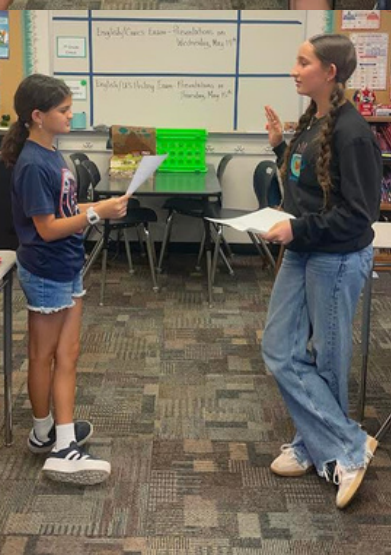

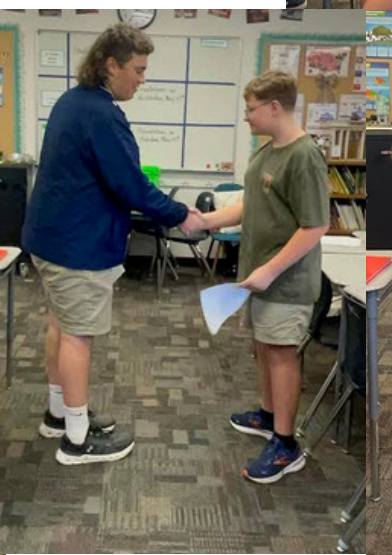

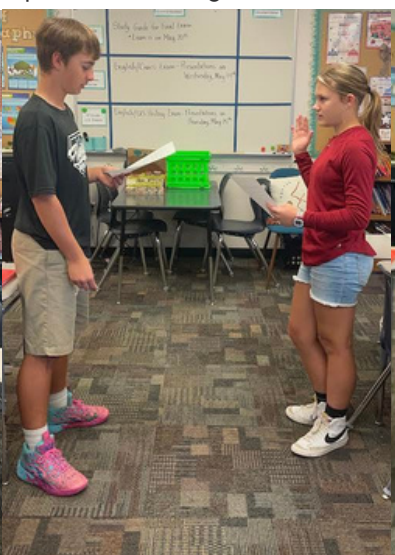

To wrap up the year, seventh graders built 3D DNA molecule models. Students worked to create a model of a DNA strand showing the double helix shape and correct bonds.

## WELCOME 25/26 SGA OFFICERS

Current SGA Officers welcomed their replacements this week. We thank the outgoing members for their service and welcome the new ones.

President - Greyson P.  
Vice President - Abby B.  
Treasurer - Wesley P.  
Secretary - Izzy R.  
Chaplain - Georgia D.

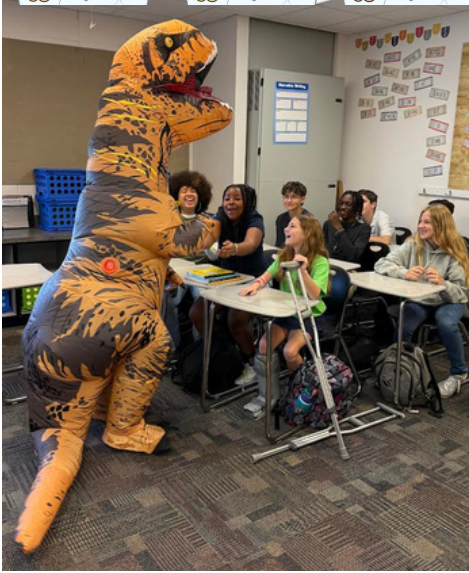

# 5TH GRADE SOARS

Fifth grade students celebrated the end of the year with a high flying adventure at iFly. What a perfect send off as they spread their wings and fly to Middle School!

# WHO LET THE DINO OUT?

Mrs. Patterson's Kindergarten class had a prehistoric week. Their dinosaur escaped several times and was caught around campus!

# SO LONG 2<sup>ND</sup> GRADE

Mrs. Koon's class gathered to celebrate a great year and also all of the summer birthdays.
