## HEAR FROM THE HEADMASTER

SPCS Family,

First, I want to congratulate our boys' basketball team on their impressive 2<sup>nd</sup> place finish in the Saints Classic Tournament last weekend. They gave it their all in every game, and we are proud of them! I look forward to seeing the accomplishments of our Spring sports athletes as those seasons are getting underway.

Many exciting events are planned in February, including the 9th Annual FUN RUN and our Father/Daughter Social. We are grateful for the support and enthusiasm for these events! They create memories for our students and parents alike! More details for both of these events are coming soon!

"And we know that for those who love God all things work together for good, for those who are called according to His purpose."

Romans 8:28

Enjoy your weekend!

In Him,  
Bobby Hunter

# LIBRARY GUEST SPEAKER

Mrs. Mullins welcomed author, Kentrell Martin, to the Library on Thursday to read his book *Shelly Goes To The Zoo*. Our Kindergarten and 1<sup>st</sup> Grade students joined him. As he was reading, he taught the students the sign language associated with the story. The students were incredibly engaged and learned well over 30 signs! It was amazing to watch their excitement as they followed along and practiced! Mr. Martin was AWESOME with the students!

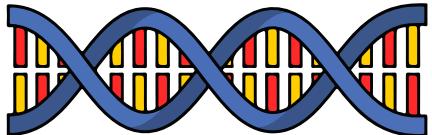

## 5TH GRADE MATH

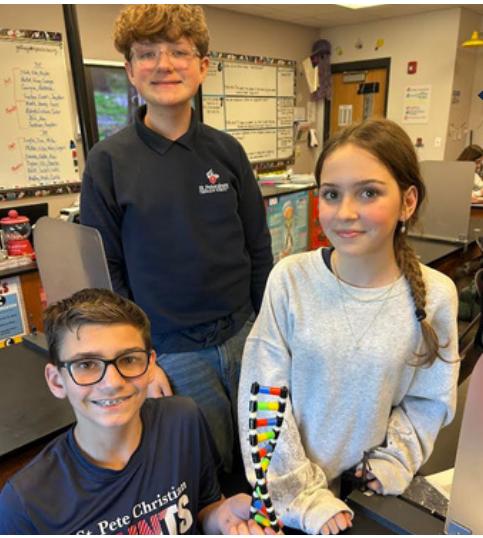

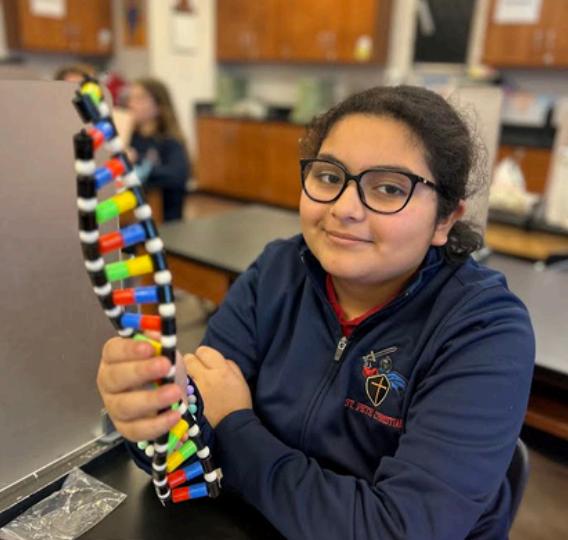

Miss Krautkremer's 5th graders had to take each letter of their name and turn it into a decimal fraction and a percent out of 100.

## 7TH GRADE SCIENCE

Students are preparing to wrap up their studies on cells and genetics. To help them see how DNA is structured, students built mini-models of DNA showing the double helix shape.

## 1ST GRADE SOCIAL STUDIES

Mrs. Hendley's students made handmade postcards after "visiting" four island territories of America.

# EVERYONE LOVES THE LIBRARY

Students in Kindergarten – 4<sup>th</sup> Grade visit the Library once a week. Time is set aside for a lesson, and then they find a good book to enjoy in a cozy spot there or take home to read with mom and dad! Mrs. Mullins sets aside time during the day for students in the upper grades to stop by and check out books as well!

Thank you

A very special thank you to the Clark Family (Lucas, Brynn, and Ellie) for the delicious Olive Garden lunch they provided for the entire faculty and staff on Thursday.

We are appreciative of the thoughtful and delicious treat!

## 7TH GRADE MATH

Mrs. Kessie's 7<sup>th</sup> grade math class played "I Can" to learn about inequalities in math.

## LAST DAY FOR VAL-A-GRAMS

Monday 2.9.26 & Tuesday 2.10.26

\$2.00 in morning carline

Send a personal Valentine's message attached to a large candy bar to someone special to you!

# SAINTS WIN

Our varsity Saints basketball team captured 2<sup>nd</sup> place at the Saints Classic Basketball Tournament last weekend. Their excellent play throughout the 2 day tournament gave the fans in the stands something to cheer about!

We are proud of their accomplishment!

## SPRING SPORTS UPDATE

**CONGRATULATIONS**

### TRACK

Hadley B.
