HEAR FROM THE HEADMASTER

SPCS Family,

Thank you for another great week! As you will see in this SPOTLIGHT, it was filled with learning and fun!

Tomorrow night, we will honor our varsity athletes at the annual Sports Banquet. These athletes work hard to represent our school, and their coaches are dedicated to mentoring them on and off the field. We look forward to celebrating with the athletes and their families. Our Booster Club has done an amazing job planning the event.

Next week, we hope to see you at the Lower Division and Band Spring Concert and our Musical Theater's Beauty and the Beast production. The students continue to practice and both of them should be great entertainment. Next week, we will also celebrate our teachers and staff. It is a privilege to lead a school with such a committed and passionate team.

"And let us run with endurance the race God has set before us."

KINDERGARTEN GUEST SPEAKER

Kindergarten welcomed Ms. Allison and Chloe (an SPCS alumna) from Noble Nectar Apiaries this week. They learned all about bees and their importance in our environment. They also got to hear about their jobs as beekeepers and see and touch some of their tools of the trade!

8TH GRADE WASHINGTON, D.C. FIELD TRIP

Eighth graders were in Washington D.C. last week exploring museums, visiting monuments, and touring our nation's Capital. The tour guides taught them all they needed to know, and they made great memories with their friends.

7TH GRADE FIELD TRIP

Our 7th graders ventured out into the Tampa Bay marine estuary to put their classroom knowledge into action. At Tampa Bay Watch, education staff led our students through hands-on learning with two outdoor activities. Students went on a boat trawl to net local marine specimens to study in their marine lab, and then release back into the bay. Additionally, students went on a guided kayak tour of the area and saw local marine birds and fish, as well as explore the mangroves.

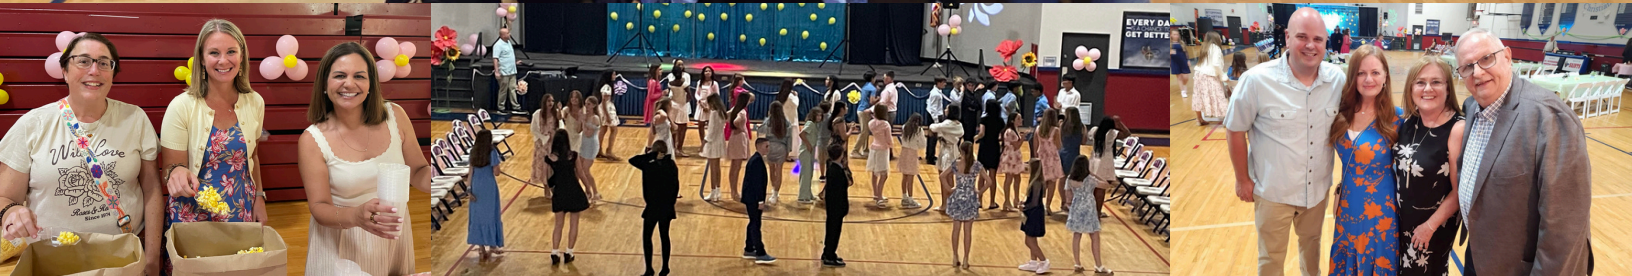

MIDDLE SCHOOL SPRING FLING

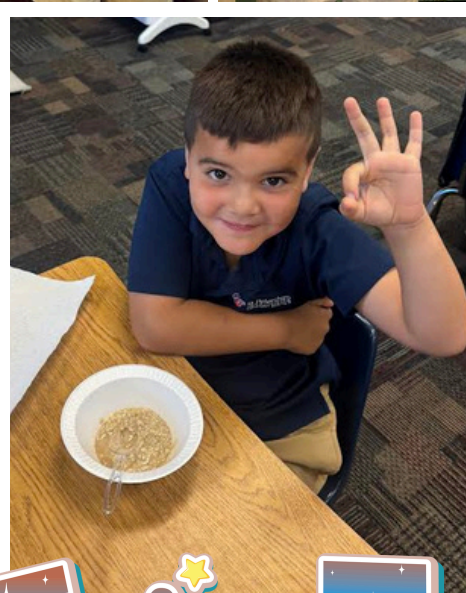

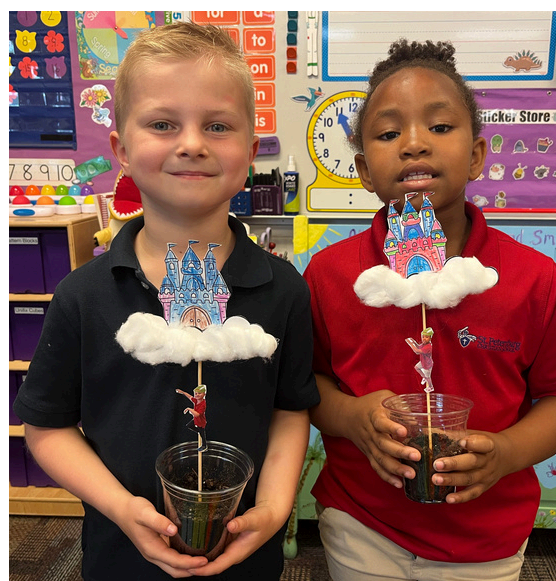

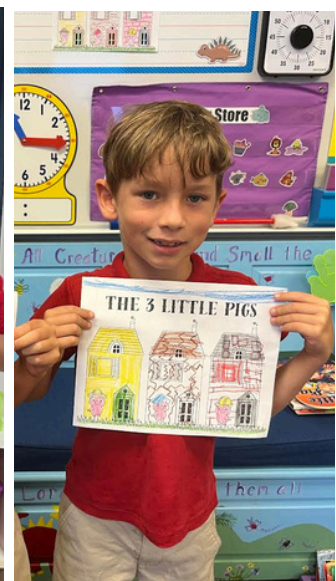

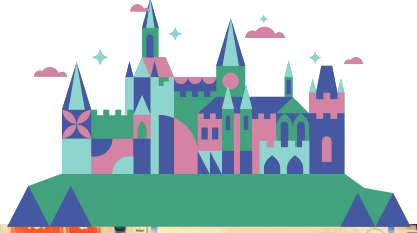

Middle School students recently had a wonderful time at our first ever, SGA-sponsored, Spring Fling Dance! Our SGA team did a fantastic job planning this special event!

KINDERGARTEN FAIRY TALE WEEK

Kindergarteners spent the week enjoying Fairy Tale stories, crafts, and snacks! They even got creative, writing their own tall tales!

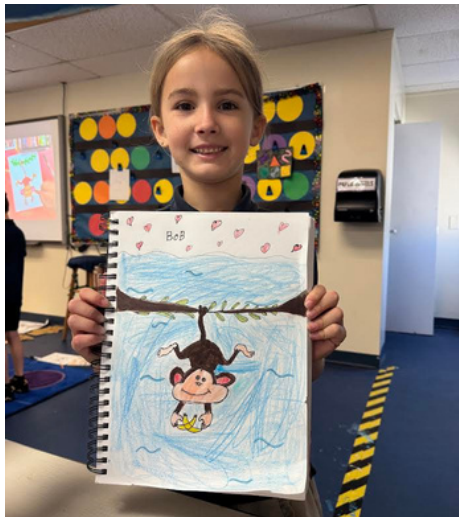

Fairy Tales

ELEMENTARY ART

Art skills are on full display in Miss Greco's art class! The task was animals in trees.

**DAYS
TO GO**

1ST GRADE SCIENCE

Students learned how life cycles continue with seeds, sprouts, and plants. They are learning how to care for God's gifts to us.

8TH GRADE CELEBRATION

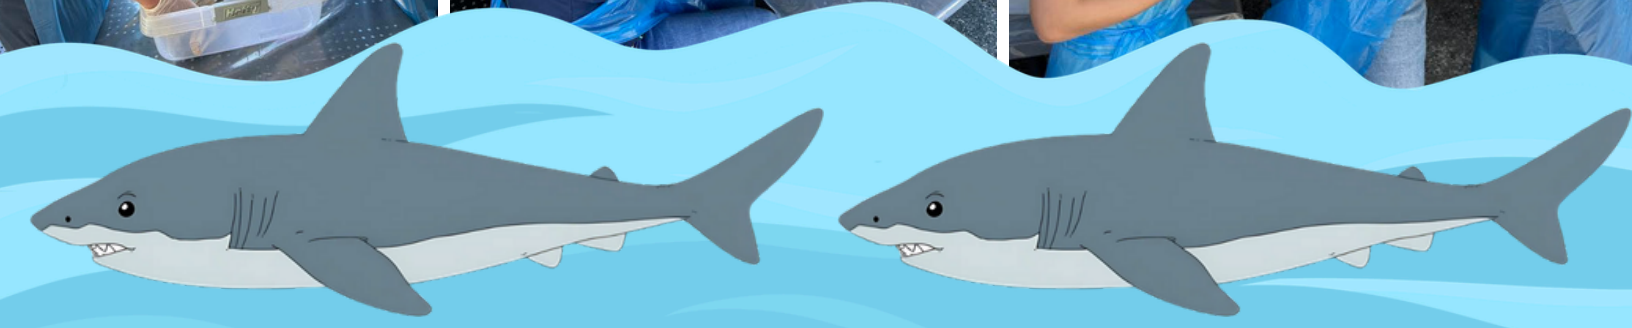

As they wind down their time at SPCS, the 8th graders are packing in some final learning and some final memories. Today, they went to Celebration Station and enjoyed lunch at Chipotle.

7TH GRADE SCIENCE

Students wrapped up an amazing year in Life Science with shark dissections. Lab teams and their team leaders moved through the dissection, observing unique physical characteristics.

SPRING SPORTS UPDATE

FLAG FOOTBALL

The flag football team celebrated their great season by showering their appreciation on their coaches!

THANK YOU!
COACH COLE & COACH PEAVLER

SOFTBALL

The softball team came together to celebrate their winning season this week. They gathered in the gym to enjoy pizza, snacks, and drinks. They also did some crafts and enjoyed time with each other, their coaches, and parents.

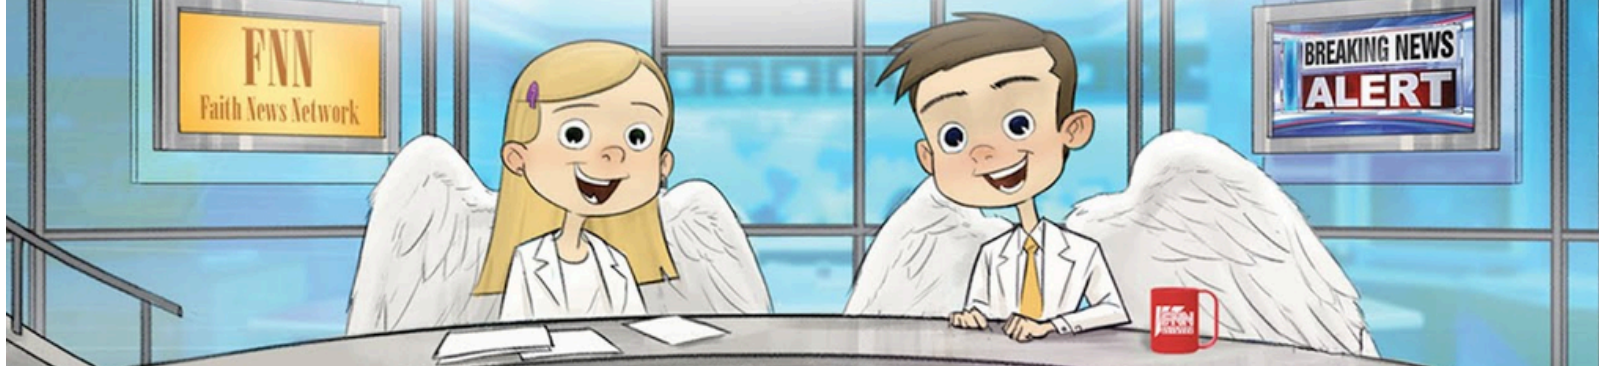

Thanks for visiting our **DISCOVERY FAIR**

Thank you for making our Discovery Fair a huge success! We appreciate all of you who came to our special events, those of you who helped out during the week, and those of you who allowed your student to come be a part of the fun and excitement! We will see you again next year!
