

# THE SPOTLIGHT

OFFICIAL NEWSLETTER OF ST. PETERSBURG CHRISTIAN SCHOOL

3/06/2026

## HEAR FROM THE HEADMASTER

SPCS Family,

The last couple of weeks were a whirlwind at SPCS. As you will see in this SPOTLIGHT, the students made the most of it. From special events like our Fun Run and Daddy/Daughter Social, to field trips, athletic events, and classroom activities, many memories were made! All of this would not be possible without our outstanding faculty and staff, and of course, our SPCS families.

Thank you for your support of everything we do at SPCS, both in and out of the classroom. We know your children are your top priority, and they are ours as well. We are committed to making a difference in each student's life, and we understand that you are putting your trust in us to do that. Thank you!

Don't forget to set your clock ahead this weekend. Next week, we will finish strong before we all get to enjoy Spring Break.

"All people are like grass, and all their faithfulness is like the flowers of the field. —Isaiah 40:6

In Him,  
Bobby Hunter

# FREEZIE POPS

# CANDY CART

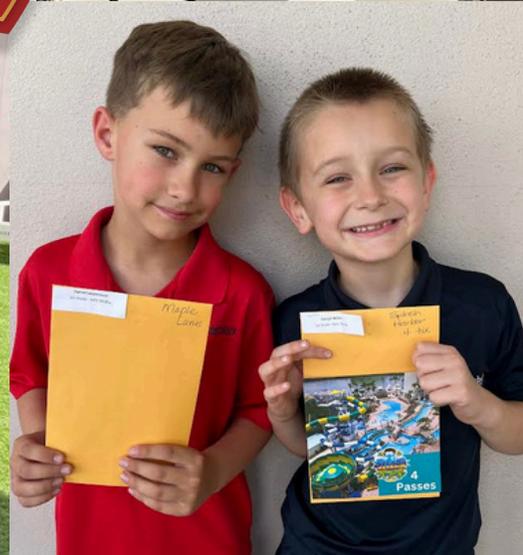

# RAFFLES!

Students got to choose from 19 different raffle items/experiences - from go carting to fishing to giant stuffies to water parks! Letting them make their own choice was something new this year and we think they LOVED IT!

## Raffle Winners

# FATHER/DAUGHTER

# Social

# 3RD GRADE FIELD TRIP

Third grade students enjoyed their field trip to the International Folk Fair. They experienced cultures from different countries including enjoying their traditions, customs, and food.

# 4TH GRADE FIELD TRIP

Fourth grade students visited the Tampa Bay History Center. They learned about the earliest native peoples, the Seminole Wars, and the growth of industry and transportation. Their journey covered 12,000 years of Florida's history and heritage, with a focus on the Tampa Bay region.

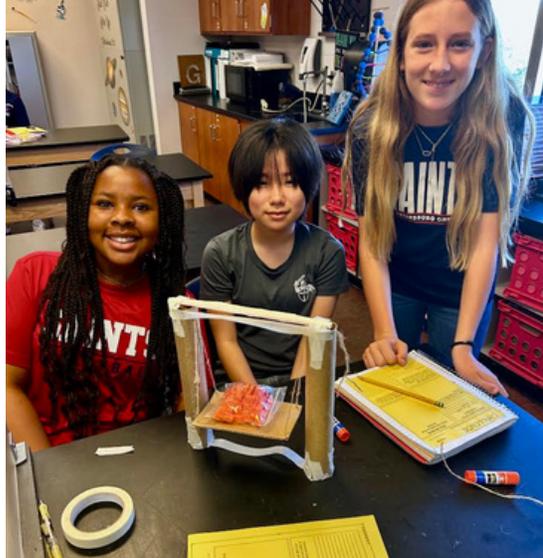

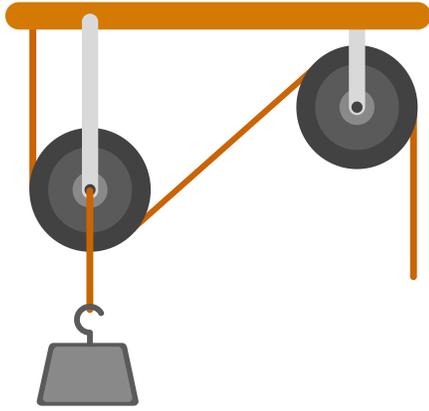

# 5TH GRADE FIELD TRIP

Fifth-grade students had an amazing time at Enterprise Village! They learned valuable lessons about economics, teamwork, and responsibility while running their own businesses for the day. It was a fun, hands-on experience that helped bring classroom learning to life, and the students walked away with both new knowledge and wonderful memories.

# 8TH GRADE SCIENCE

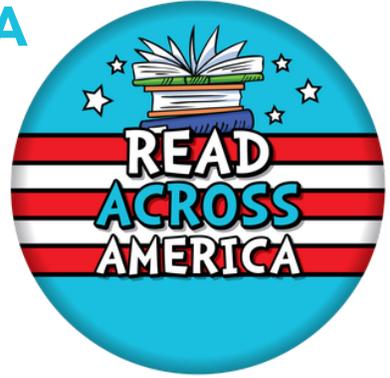

The 8th grade lab teams worked to create a working elevator mechanism. Group members designed their unique ideas to create pulley systems with platforms that would carry materials with the pre-planned devices.

# KINDERGARTEN READ ACROSS AMERICA

The three Kindergarten classes are now filled with great readers, and they celebrated Read Across America Week by highlighting Dr. Seuss books and incorporating some fun activities.

- Monday - *Sleep Book* and wore pajamas!
- Tuesday - *Cat in the Hat* and wore their favorite hat!
- Wednesday - *Wacky Wednesday* and they sure dressed wacky!
- Thursday - *Green Eggs and Ham* and a delicious surprise!
- Friday - *Fox and Socks* and wore silly socks!

# 7TH GRADE FIELD TRIP

Students in 7<sup>th</sup> Grade enjoyed their overnight field trip to Nature's Academy. They participated in many activities, including horseback riding, canoeing or kayaking, survival skills and fire-building, learning about water filtration, and more. They also loved the end-of-day activities that included a hayride, campfire, and s'mores. In their final day, students started their foggy morning with some hot chocolate. Then, they participated in some final science activities, including building a boat. Each team designed its own boat. Students chose their team captains to steer their boat to victory on the water. They had a great time closing a wonderful field trip and experiencing God's wonders.

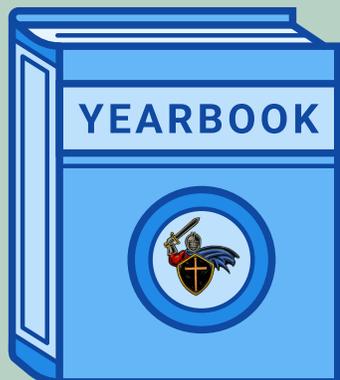

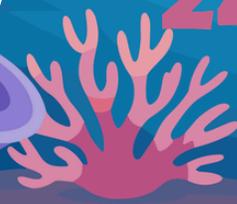

# TRAVEL MATES RETURN HOME

Students in 3rd Grade enjoyed hearing about their friend's travel mates' journeys. They had some fun adventures!
