HEAR FROM THE HEADMASTER

SPCS Families,

SGA hosted an awesome kickoff to Spirit Week at SPCS! It was great to see the students so excited and participating in the pep rally today. With the help of our varsity cheerleaders, our Saints pride was on full display! I thank the athletes and coaches, for continuing to shine for SPCS with sportsmanship and skill. I look forward to seeing the continued school spirit next week with our special theme days.

This weekend is our annual Lady Saints Basketball Classic. If you have the opportunity to come catch a game on Saturday, you will not be disappointed! The SPCS Boy's varsity team has their tournament next weekend.

Do nothing from rivalry or conceit, but in humility, count others more significant than yourselves. (Philippians 2:3)

Enjoy the weekend!

Bobby Hunter

THE SCIENCE OF SNOW IN KINDERGARTEN

Miss Dorsett's class completed a fun science experiment making snow. Each student got some of the special mix to build their snowman! They also made a snowman height craft so they can remember how small (or tall) they were in Kindergarten!

2ND GRADE SCIENCE

Mrs. Koon's students learned how weight affects gravity. They dropped a heavy ball and a marble at the same time. They both fell at the same speed!

6TH GRADE SCIENCE

Sixth grade Science students made mini-rockets as part of an astronomy STEM challenge. Small groups worked together to construct their rockets and then competed to see which design went the farthest and the highest.

CELEBRATING BABY CAROLINE

Miss Jill and her team planned a fun and meaningful shower for Ms. Evie and Pastor Simon's soon to be here bundle of joy! We can't wait to meet her!

6TH GRADE FIELD TRIP

Students in 6th Grade enjoyed their field trip to the Bishop Museum of Science and Nature. They experienced the wonders of our universe through a planetarium show, explored the museum exhibits, and viewed dinosaur fossils. The highlight of the trip was the manatee encounter.

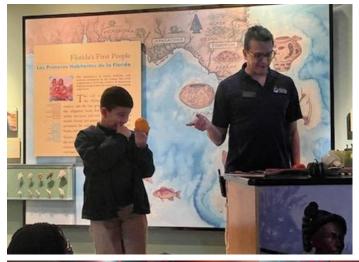

4TH GRADE FIELD TRIP

Students in 4th Grade enjoyed their field trip to the Tampa Bay History Center. They learned about Florida's history and heritage with a focus on the Tampa Bay region, including the earliest native peoples and Seminole Wars, to the growth of industry and transportation.

Students in SGA organized a fun pep rally to recognize our basketball and cheerleading athletes. The cheerleaders got the crowd pumped up and our energetic coaches introduced each of their athletes to the fans in the stands. Four members from each team then competed in a fun game. The varsity boy's team was victorious, although their cartwheels could use some work! Congratulations athletes!
