HEAR FROM THE HEADMASTER

Hello Parents,

There are many things that make coming to school at SPCS so much fun! As you will see in this SPOTLIGHT, our teachers go above and beyond to make learning an adventure. From Kindergarten to 8th Grade, students are more willing to participate and retain information, if the lesson is engaging and fun. Our teachers know that and I am thankful for the learning adventures they bring to our classrooms.

On that note, I want to remind you that we have an Open House coming soon for incoming Kindergarteners. Please share your experience at SPCS with a friend and encourage them to join our SPCS family next year! Open House details are included in this SPOTLIGHT.

"And let us not grow weary of doing good, for in due season we will reap, if we do not give up." Galatians 6:9

Enjoy your weekend!

Bobby Hunter

UPCOMING EVENTS

Picture Day
10/19/21

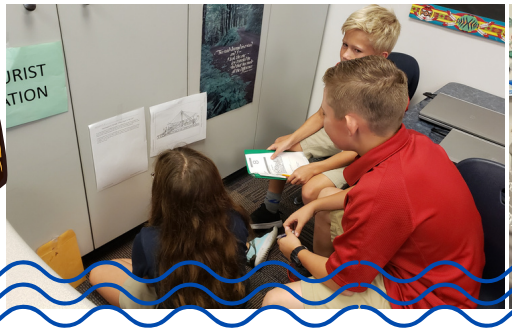
Lower Division Honors
will be recognized in individual classrooms for 1st Quarter

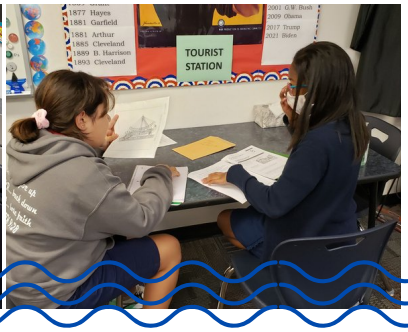
Full Calendar

Sports Calendar

6TH GRADE TRAVELS THE NILE

Sixth Grade students are studying ancient Egypt and recently traveled on The Nile in a Felucca, stopping at tourist stations, uncovering the accomplishments of the various Pharaohs during the time they reigned.



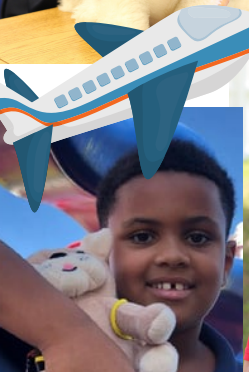


2ND GRADE VISITS THE AQUARIUM

Second graders visited the Clearwater Marine Aquarium last week as they continue studying animal habitats.

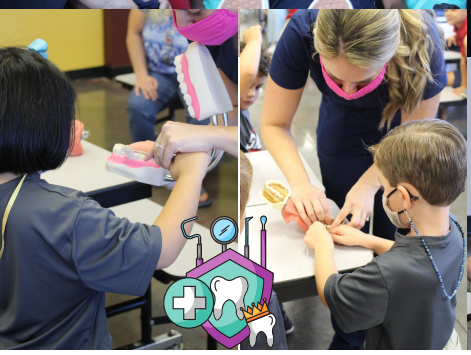
BON VOYAGE TRAVEL MATES

Third graders held a bon voyage party for their Travel Mates as they begin their journeys to faraway places! We can't wait to see some of the interesting places they visit!



KINDERGARTEN MEETS COMMUNITY HELPERS

Community helpers are visiting Kindergarten this month! This week they met two Sunstar paramedics, our campus security guard, and a dental hygienist. We appreciate these professionals taking the time to share how they help the community!



1ST GRADE SCIENCE

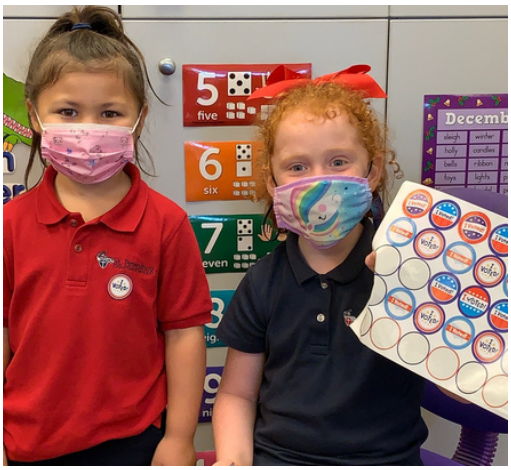
This week first grade completed a STEM activity where students worked as a team to investigate a pumpkin and label its parts!

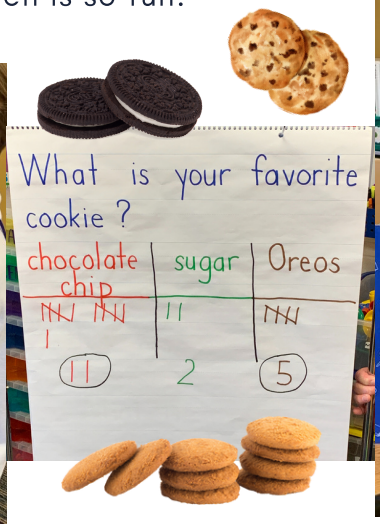
FRIENDS FOREVER

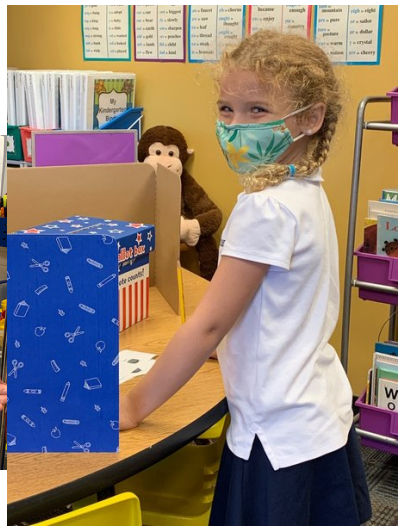
Most of them together since their Kindergarten days at SPCS, these students recently attended Homecoming together too! We are proud of everything our alumni accomplish after they leave SPCS!

KINDERGARTEN COUNTS THE VOTE

As part of their Social Studies unit, Miss Dorsett's class is learning about voting and conducted their own election - for their FAVORITE COOKIE! Kindergarten is so fun!

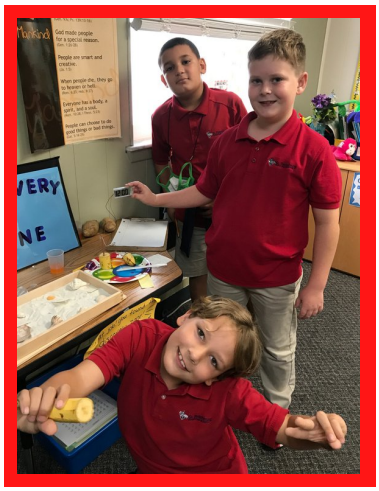






LRC WEEK OF FUN

A few weeks ago, the third graders were able to get a clock to run by connecting the wires to a potato. The 3rd grade students were able to continue the clock experiment by using orange soda and bananas. The clock worked through all three mediums!



This week the 4th-grade students read a story about starting a lemonade stand. They discussed different marketing techniques and options for lemonade. The class made 4 different types of lemonade and performed a taste test. The students had to choose their favorite flavor. Which do you think won the contest: regular lemonade, pink lemonade, strawberry lemonade, or blueberry lemonade? Strawberry Lemonade!
