#### HEAR FROM THE HEADMASTER SPCS Equilies.

It was a fun week on campus with many students and staff participating in Spirit Week, sponsored by our Student Government. The week's festivities culminated in a Pep Rally where our Fall and Winter athletes were recognized. I could not be more proud of the way that these athletes represented SPCS throughout their season. Our boy's basketball team will participate in the Saints Classic Tournament this weekend in our gym. If you want to stay warm and have a good time, stop by to cheer them on!

Also, please do not forget to complete your student's enrollment for next year. The \$100 enrollment fee discount ends on 2/18/2022. I appreciate your continued partnership with SPCS.

"Finally, be strong in the Lord and in the strength of his might." Ephesians 6:10

## 3RD GRADE MULTIPLICATION PARTY

These 3rd grade students are 100% fluent in their multiplication facts! They celebrated by having an ice cream sundae party!

### 6TH GRADE RESEARCH

Sixth grade students are working on a Research Unit involving problems in the ocean, including overfishing, plastic pollution, and sealevel rise. They recently completed a "Save the Sea Creatures" activity. The students had to melt ice using salt and their body warmth to save the sea animal inside.

Let's help our NJHS students help others! Please donate your spare coins in car line until Friday 2/4/22! The students will do the rest - spreading God's love and lessening the burden on many families in our community. Thank you!
