Headmaster's Message

SPCS Families,

This past Wednesday our student body spent time together in prayer for our annual See You at the Pole event. See You at the Pole, a global day of student prayer, began in 1990 as a grass roots movement with ten students praying at their school. Years later, millions pray on their campuses on the fourth Wednesday in September. While everyone did not meet together live, we were able to meet virtually. I was proud of our students as they lifted up our school and country in prayer.

The extended day weekend for our students is a nice break. Don't forget there are Parent/Teacher conferences on Monday for those scheduled.

Have a great weekend and remember, "...it is the Lord who goes before you. He will be with you; he will not leave you or forsake you" Deuteronomy. 31:8

In Him,
Bobby Hunter

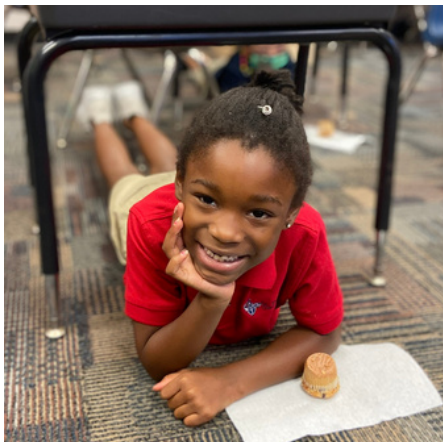
PARENT/TEACHER CONFERENCES

Eighth Graders Share Their Stories

The eighth grade student's "All About Me" projects are a bright spot on the 3rd floor! Great pictures, inspirational Bible verses, and personal touches make the interesting and fun to look at for students and staff!

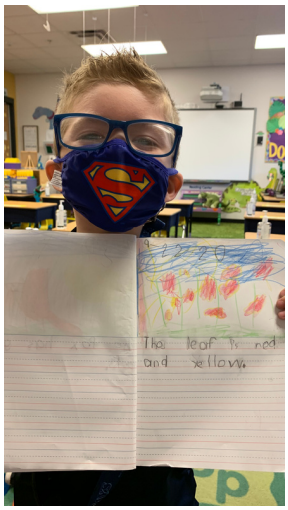
What's Up In Kindergarten

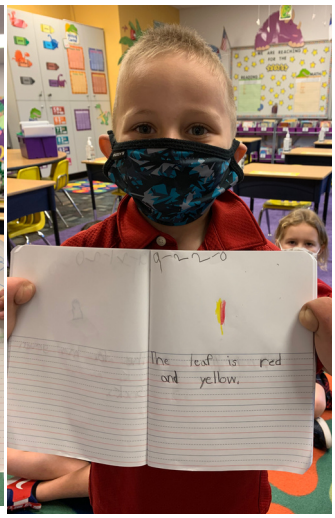
Mrs. Patterson's class learned about the short vowel Uu. They ate upside down muffins under their desk! They had a blast!

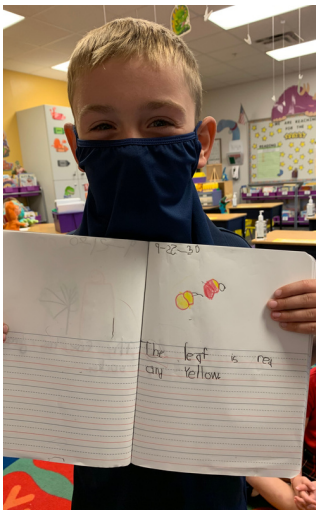


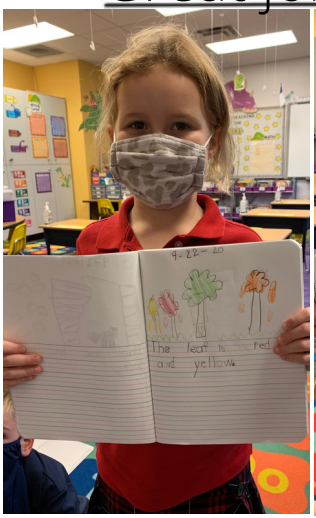
Miss Dorsett's students continue to improve handwriting with their daily morning journals. They are so proud when their teachers take a look back just 2 weeks ago and see how they have worked so hard to form their letters the correct way and keep them on "the road"!

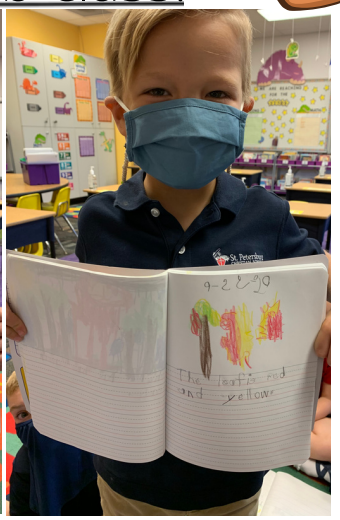
Great job class!











6th Grade World History Highlights

Our sixth grade World History students acted like social scientists analyzing artifacts.

They made hypotheses about the past.

2nd Grade Spelling Fun

Miss Taylor's 2nd Grade students had fun spelling in shaving cream this week! What a great way to practice and make their room smell fresh and clean!
